(collectively, the “Mechanic’s Lien Creditors”).

NOTICE IS FURTHER GIVEN that this Motion shall be heard by the Honorable Deborah J. Saltzman, Bankruptcy Judge, in courtroom 1639 of the above-entitled Court, via ZoomGov only, on May 26, 2022 on the Court’s 11:30 a.m. calendar.

NOTICE IS FURTHER GIVEN that by this Motion the Debtor requests authority to pay the Mechanic’s Lien Creditors in the following amounts (the “Payment Amounts”):

American Truck & Tool Rentals Inc.	\$160,000.00 ²
Kennco Plumbing Inc.	\$85,560.17

Parquet by Dian	\$40,846.00
Powertek Electrical Inc.	\$40,480.00
BMC West LLC	\$2,399.00

¹ This amount is per a tentative agreement with J&E that includes interest, but not other fees and expenses that would make the claim higher.

² This amount is *reduced* from the secured claim in the amount of \$188,087.09 asserted by American pursuant to the *Stipulation With American Truck & Tool Rentals Inc. Re: Allowance And Payment Of Claim* [Dkt. 304] that is pending with the Court.

1 **NOTICE IS FURTHER GIVEN** that this Motion is based on 11 U.S.C. §§ 105, 363(b)

7 support of the opposition, (2) be filed at least fourteen (14) days prior to the hearing on this Motion,
8 and (3) be served on the United States Trustee and counsel for Debtors.

9 **PLEASE TAKE FURTHER NOTICE** that, pursuant to Local Bankruptcy Rule 9013-
10 1(h), the Court may deem the failure of any party to file a timely opposition to this Motion to
11 constitute consent to the granting of this Motion and the relief requested herein.

12 **WHEREFORE**, the Debtor respectfully requests that this court enter an order:

- 13 (1) granting the Motion;
- 14 (2) authorizing the Debtor to pay the Payment Amounts to the Mechanic's Lien
15 Creditors;
- 16 (3) holding that the payment of the required Payment Amount to a particular Mechanic's
17 Lien Creditor constitutes payment in full of the subject Mechanic's Lien Creditor's claim against
18 the Debtor and the estate; and
- 19 (4) affording such further and other relief as is warranted under the circumstances.

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I.**

3 **BACKGROUND FACTS**

4 On October 26, 2021 (the “Petition Date”), the Debtor commenced its bankruptcy case by
5 filing a voluntary petition under Chapter 11 of the Bankruptcy Code. The Debtor is operating its
6 estate and managing its financial affairs as a debtor in possession pursuant to Sections 1107 and
7 1108.
8

9 **A. SALE OF THE PROPERTY**

10 On the Petition Date, the Debtor’s primary asset was the residential property located at 944
11 Airole Way, Los Angeles, CA 90077 (the “Property”). On March 3, 2022, this Court approved a
12 sale of the Property as evidenced by this Court’s *Order Granting Debtor’s Motion [the “Sale*
13 *Motion”]* for an Order: (1) Approving The Sale Of The Debtor’s Real Property Free And Clear Of
14 All Liens, Claims, Encumbrances, And Interests, With The Exception Of Enumerated Exclusions;
15 (2) Finding That The Buyer Is A Good Faith Purchaser; (3) Authorizing And Approving The
16 Payment Of Certain Claims From Sale Proceeds; (4) Waiving The Fourteen-Day Stay Period Set
17 Forth In Bankruptcy Rule 6004(h); And (5) Providing Related Relief (the “Sale Order”). A true
18 and correct copy of the Sale Order is attached hereto as **Exhibit “1”**. Pursuant to the Sale Order
19 and the sale of the Property, the estate received \$137.97 million of which \$126 million includes the
20 purchase price and the remaining \$11.970 million consists of an Auctioneer Rebate. Exhibit 1;
21 4:19-22.
22

23 **B. ALLEGED CLAIMS SECURED BY THE PROPERTY**

24 **1. Inferno Investments Inc.**

25 Pursuant to a Proof of Claim (the “Inferno POC”) filed by Inferno Investment Inc.
26 (“Inferno”), Inferno asserts a claim in the amount of \$20,902,106.12, which, Inferno asserts, is
27
28

1 secured by a Deed of Trust (the “Inferno Deed of Trust”) that was recorded on March 13, 2013. A
2 true and correct copy of the Inferno POC, designated as Claim No. 11, is attached hereto as **Exhibit**
3 **“2”**.

4 On January 1, 2016, the Debtor and Inferno entered into an agreement (the “Subordination
5 Agreement”) whereby the parties agreed that proceeds from the sale of the Property would be
6 distributed in the following manner: “First to repay the loan(s) obtained from a bank or third party
7 parties (excluding [the Debtor] and Inferno) and all other unpaid costs of construction of the
8 [Property]. Second, to [the Debtor] and Inferno, pro rata, in repayment of any loans owing them,
9 together with simple interest thereon at the rate of eight percent (8%) per annum....” A true and
10 correct copy of the Subordination Agreement is attached hereto as **Exhibit “3”**; see ¶ 3.

11
12 At the sale hearing, Inferno objected to the payment of Mechanic’s Lien Creditors’ claims at
13 that time based on its argument that the Subordination Agreement “does not state what it states.”
14 Since the sale hearing, the Debtor has requested, on numerous occasions, for documentation or
15 other evidence from Inferno that supports a different interpretation of the unambiguous language
16 of the Subordination Agreement. To date, no further convincing evidence was provided by Inferno.

17
18 **2. The Mechanic’s Lien Creditors.**

19 After the initial financing from Inferno, the Debtor commenced construction of its Property.
20 In that respect, the following parties provided goods and/or services in order to improve the
21 Property: J&E Texture, Inc.; American Truck & Tool Rentals Inc.; Kennco Plumbing Inc.; JMS
22 Air Conditioning; Parquet by Dian; Powertek Electrical Inc.; and BMC West LLC. (i.e., the
23 Mechanic’s Lien Creditors). Currently, the Mechanic’s Lien Creditors possess claims secured by
24 the Property in the following amounts:

26
27
28

Name	Amount	Recording Date
J&E Texture, Inc. ³	\$292,300.86 ⁴	June 30, 2020

BMC West LLC ¹¹ [Dkt. 52, ¶ 2.2 (48-49)]	\$2,399.00	July 16, 2021

3. Hankey Capital, LLC and Yogi Securities Holdings, LLC.

Pursuant to one of numerous Proofs of Claims (the “Hankey POC”) filed by Hankey Capital, LLC (“Hankey”), Hankey asserts a claim in the amount of \$122,638,623.41, which, Hankey asserts, is secured by a Deed of Trust dated November 6, 2018. A true and correct copy of the Hankey POC, designated as Claim No. 20, is attached hereto as **Exhibit “11”**. The Hankey financing was provided after the goods and/or services were provided by one or more subcontractors or other parties to improve the Property. The Debtor is advised and understands that Hankey does not oppose paying the Mechanic’s Lien Creditors.

Pursuant to a Proof of Claim (“Yogi POC”) filed by Yogi Securities Holdings, LLC (“Yogi”), Yogi asserts a claim in the amount of \$24,385,366.77, which Yogi asserts is secured by a Deed of Trust dated August 30, 2019. A true and correct copy of the Yogi POC, designated as Claim No. 27 (amending Claim No. 15), is attached hereto as **Exhibit “12”**. The Yogi financing

2 parties to improve the Property. The Debtor is advised and understands that Yogi does not oppose
3 paying the Mechanic's Lien Creditors.

5 DISCUSSION

6
7 Section 363(b)(1) allows a debtor in possession, after a motion and hearing, to use estate
8 property outside of the ordinary course of business. 11 U.S.C. § 363(b). More notably, the
9 provision codifies the principles of bankruptcy law by granting representatives of the estate flexible
10 and broad authority to maximize the value of the estate. *In re Claar Cellars, LLC*, No. 20-00044-
11 WLH11, 2020 WL 1238924 at *3 (Bankr. E.D. Wash. 2020). However, 363(b)(1) is not a tool to
12 obviate prohibitions found elsewhere in the Bankruptcy Code. *Id.* at *4; *See also Czyzewski v.*
13 *Jevic Holding Corporation*, 137 S. Ct. 973, 978 (2017) (denying debtor's structured dismissal
14 where debtor sought to deviate from the basic priority rules that apply under the Bankruptcy Code
15 without the consent of the affected parties). Instead, bankruptcy courts review actions taken
16 pursuant to Section 363(b)(1) under the business judgment standard. *Id.* Under this deferential
17 standard, bankruptcy courts will generally approve actions by the debtor in possession provided
18 that the debtor in possession's decisions to take such action is reasonable as it pertains to the
19 specific needs of the case. *Id.* at *5.

20
21
22 Sections 503, 506, and 507 of the Bankruptcy Code set forth a basic system of priority, which
23 ordinarily determines the order in which assets of the estate will be distributed: secured creditors
24 are highest on the priority list, for they must receive the proceeds of the collateral that secured their
25 claims up to payment in full with interest, fees, and expenses, administrative creditors come next,
26 then priority unsecured creditors, such as those who hold certain claims for taxes or wages, then
27 come general unsecured creditors, and finally equity holders. 11 U.S.C. §§ 503, 506, and 507; *see*
28

1 *also Czyzewski*, 137 S. Ct. at 979 (citing 11 U.S.C. §§ 507, 725, 726). However, “Bankruptcy
2 Courts look to state law to determine lien priority” where competing liens on the same property
3 exist. *Quoting In re McIntyre*, No. 02:08-12110-BR, 2010 WL 11530873, at *4 (C.D. Cal. Apr. 27,
4 2010), *aff’d*, 470 F. App’x 694 (9th Cir. 2012) (citing *In re Van De Kamp’s Dutch Bakeries*, 908
5 F.2d 517, 519 (9th Cir. 1990) (bankruptcy court must refer to state law to determine priority of
6 competing liens)).

7
8 Here, the Mechanic’s Lien Creditors, Inferno, Hankey, and Yogi are all alleged secured
9 creditors whose claims are purportedly secured by the Property. Accordingly, the priority of these
10 parties will be determined by California law.

11 **A. INFERNO SUBORDINATED ITS LIEN TO THE MECHANIC’S LIEN**
12 **CREDITORS.**

13 Under California law, different liens on the same property have priority according to the time
14 of their creation. *Fleet Credit Corp. v. TML Bus Sales, Inc.*, 65 F.3d 119, 122 (9th Cir. 1995).
15 Specifically, this “first in time, first in right” system of lien priorities provides that a conveyance
16 recorded first generally has priority over any later-recorded conveyances, regardless of the time of
17 transfer. *Id.*

18
19 Despite California’s priority scheme, a prior lienholder can, by agreement, subordinate the
20 lien holder’s lien to that of others. *Aviel v. Ng*, 161 Cal. App. 4th 809, 816 (1st Dist. 2008); *Collins*
21 *v. Home Savings & Loan Ass’n*, 205 Cal. App. 2d 86 (2d Dist. 1962) (although different liens on
22 the same property have priority according to the time of their creation, a party may agree to waive
23 or subordinate the priority thus accomplished). Often, this takes the form of a “subordination
24 agreement” whereby a senior lien holder agrees to lower its priority in relation to that of another
25 party holding an interest in the same property. *Ng*, 161 Cal. App. 4th at 816. The rights of priority
26
27
28

1 under such an agreement extend to and are limited strictly by the express terms and conditions of
2 the agreement. *Resolution Trust Corp. v. BVS Development, Inc.*, 42 F.3d 1206, 1214 (9th Cir.
3 1994).

4 Pursuant to the Subordination Agreement, Inferno agreed to subordinate its interest in the
5 Property to those of any third-party lenders and those for any unpaid construction costs. For
6 purposes of this Motion, Inferno's lien was subordinated to those of the Mechanic's Lien Creditors
7 because the Mechanic's Lien Creditors' unpaid claims stem from their construction work on the
8 Property. Accordingly, the Mechanic's Lien Creditors maintain priority over Inferno as a result of
9 the Subordination Agreement.
10

11 **B. THE MECHANIC'S LIEN CREDIOTRS MAINTAIN PRIORITY OVER THE**
12 **HANKEY AND YOGI INTERESTS.**

13 A mechanic's lien is entitled to "off-record priority," meaning that the priority of the
14 mechanic's lien relates back to the commencement of work rather than the date of recordation of
15 the lien. *See* Cal. Const. Const. Art. XIV, § 3; Cal. Civ. Code § 8450(a); *Sax v. Clark*, 180 Cal. 287,
16 288-91, 180 P. 821 (1919); *Greenblatt v. Utley*, 240 F.2d 243, 246 (9th Cir. 1956) ("[t]he lien dates
17 from the time of the commencement of the work"); Miller & Starr, *California Real Estate* 4th ed.,
18 §§ 32:6, 10:130 (2021) ("Miller & Starr"). Specifically, Cal. Civ. Code § 8450(a) provides that a
19 mechanic's lien –
20

21 ... has priority over a lien, mortgage, deed of trust, or other encumbrances on the
22 work of improvement for the real property to which the work of improvement is
23 situated that (1) attached after commencement of the work of improvement or (2) was
24 unrecorded at the commencement of the work of improvement of which the claimant
25 had no notice.
26

27 Cal. Civ. Code § 8450(a).
28

Moreover, the lien attaches and relates back to when any work is commenced on the project, not when the mechanic's lien holder actually commences work itself. *See Simons Brick Co. v. Hetzel*, 236 P. 357, 360 (Cal. Ct. App. 2d Dist. 1925); *Schrader Iron Works, Inc. v. Lee*, 26 Cal.App.3d 621, 631-32 (3d Dist. 1972); *Parson Brinckerhoff Quade & Douglas, Inc. v. Kern Cty. Emps. ' Ret. Ass'n*, 5 Cal.App.4th 1264, 1268-69 (5th Dist. 1992); *In re KDR Bldg. Specialties, Inc.*, 76 B.R. 778 (Bankr. S.D. Cal. 1987); *Miller & Starr*, §§ 32:6, 10:130 (“[t]he priority of a mechanic's lien relates back to the date work commenced for *all* claimants, no matter when the claimant's work actually began”).

Here, work on the Property started as early as March 2, 2014. *See* J&E Opposition to the Sale Motion attached hereto as **Exhibit “13,”** at 1:25 § II, at ¶ 1-3 and Hamilton Declaration annexed to the J&E Opposition to the Sale Motion, ¶¶ 5-6. For that reason, *all* of the Mechanic's Lien Creditors' claims attached to the Property as early as (and possibly earlier than) March 2014. On the other hand, Hankey and Yogi did not recorded their deeds of trust until 2018 and 2019, respectively. Accordingly, the Mechanic's Lien Creditors maintain priority over both Hankey's and Yogi's security interests because the Mechanic's Lien Creditors' interests attached to the Property prior to those of Hankey and Yogi.

C. PAYMENTS TO THE MECHANIC'S LIEN CREDITORS ALLOWS THE DEBTOR TO MAXIMIZE THE VALUE OF THE ESTATE FOR THE BENEFIT OF OTHER CREDITORS

By allowing the Debtor to pay the Mechanic's Lien Creditors, the Debtor will be able to maximize the value of the estate. Specifically, once the Mechanic's Lien Creditors are paid, monthly interest and attorneys' fees and expenses on their claims will cease to accrue, and the Debtor will be able to use the money that would have otherwise been paid to the Mechanic's Lien Creditors to satisfy other creditors.

CONCLUSION

WHEREFORE, the Debtor respectfully requests that this Court enter an order:

- (1) granting the Motion;
- (2) authorizing the Debtor to pay the Payment Amounts to the Mechanic's Lien

Creditors

- (3) holding that the payment of the required Payment Amount to a particular
Mechanic's Lien Creditor constitutes payment in full of the subject Mechanic's Lien Creditor's
claim against the Debtor and the estate; and

- (4) affording such further and other relief as is warranted under the circumstances

5. I began my career in the strategic consulting group of Arthur Andersen after graduating from the University of Southern California Marshall School of Business. I am currently on the board of several non-profits, and two corporate boards, and am a member of the Young Presidents Organization.

2 case by filing a voluntary petition under Chapter 11 of the Bankruptcy Code. The Debtor is
3 operating its estate and managing its financial affairs as a debtor in possession pursuant to Sections
4 1107 and 1108.

5 8. On the Petition Date, the Debtor’s primary asset was the residential property located
6 at 944 Airole Way, Los Angeles, CA 90077 (the “Property”). On March 3, 2022, this Court
7 approved a sale of the Property as evidenced by this Court’s *Order Granting Debtor’s Motion [the*
8 *“Sale Motion”]* for an Order: (1) Approving The Sale Of The Debtor’s Real Property Free And

14 the Sale Order and the sale of the Property, the estate received \$137.97 million of which \$126
15 million includes the purchase price and the remaining \$11.970 million consists of an Auctioneer
16 Rebate. Exhibit 1; 4:19-22.

17 9. Pursuant to a Proof of Claim (the “Inferno POC”) filed by Inferno Investment Inc.
18 (“Inferno”), Inferno asserts a claim in the amount of \$20,902,106.12, which, Inferno asserts, is
19 secured by a Deed of Trust (the “Inferno Deed of Trust”) that was recorded on March 13, 2013. A
20 true and correct copy of the Inferno POC, designated as Claim No. 11, is attached hereto as **Exhibit**
21 **“2”**.

22 10. On January 1, 2016, the Debtor and Inferno entered into an agreement (the
23 “Subordination Agreement”) whereby the parties agreed that proceeds from the sale of the Property
24 would be distributed in the following manner: “First to repay the loan(s) obtained from a bank or

third party parties (excluding [the Debtor] and Inferno) and all other unpaid costs of construction of the [Property]. Second, to [the Debtor] and Inferno, pro rata, in repayment of any loans owing them, together with simple interest thereon at the rate of eight percent (8%) per annum....” A true and correct copy of the Subordination Agreement is attached hereto as **Exhibit “3”**.

11. At the sale hearing, Inferno objected to the payment of Mechanic’s Lien Creditors’ claims at that time based on its argument that the Subordination Agreement “does not state what it states.” Since the sale hearing, the Debtor has requested, on numerous occasions, for documentation or other evidence from Inferno that supports a different interpretation of the unambiguous language of the Subordination Agreement. To date, no further convincing evidence was provided by Inferno.

12. I am informed and believe that, after the initial financing from Inferno, the Debtor commenced construction of its Property. In that respect, I am informed and believe that, the following parties provided goods and/or services in order to improve the Property: J&E Texture, Inc.; American Truck & Tool Rentals Inc.; Kennco Plumbing Inc.; JMS Air Conditioning; Parquet by Dian; Powertek Electrical Inc.; and BMC West LLC. (i.e., the Mechanic’s Lien Creditors). Currently, the Mechanic’s Lien Creditors possess claims secured by the Property in the following amounts:

Wire Fraud Alert

This Notice is not intended to provide legal or professional advice. If you have any questions, please consult with a lawyer.

All parties to a real estate transaction are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied on the wire instructions received via email, without further verification. **If funds are to be wired in conjunction with this real estate transaction, we strongly recommend verbal verification of wire instructions through a known, trusted phone number prior to sending funds.**

In addition, the following non-exclusive self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **NEVER RELY** on emails purporting to change wire instructions. Parties to a transaction rarely change wire instructions in the course of a transaction.
- **ALWAYS VERIFY** wire instructions, specifically the ABA routing number and account number, by calling the party who sent the instructions to you. DO NOT use the phone number provided in the email containing the instructions, use phone numbers you have called before or can otherwise verify. **Obtain the phone number of relevant parties to the transaction as soon as an escrow account is opened.** DO NOT send an email to verify as the email address may be incorrect or the email may be intercepted by the fraudster.
- **USE COMPLEX EMAIL PASSWORDS** that employ a combination of mixed case, numbers, and symbols. Make your passwords greater than eight (8) characters. Also, change your password often and do NOT reuse the same password for other online accounts.
- **USE MULTI-FACTOR AUTHENTICATION** for email accounts. Your email provider or IT staff may have specific instructions on how to implement this feature.

**PROMISSORY NOTE
SECURED BY DEED OF TRUST**

\$3,925,545.00

LOS ANGELES, CALIFORNIA

March 13, 2013

FOR VALUE RECEIVED, the undersigned, ("Borrower") promises to pay to INFERNO INVESTMENT INC., ("Lender") at 85 St. Paul Street West, Suite 500, Montreal, Quebec, CANADA H2Y3V4, or at such other place as the holder hereof may designate, in lawful money of the United States of America, the principal sum of Three Million Nine Hundred Twenty-Five Thousand Five Hundred Forty-Five and no/100th Dollars (\$3,925,545.00), together with interest on the outstanding principal balance until paid in full in accordance with the terms, conditions and provisions set forth in this Promissory Note (the "Note").

INTEREST RATE. Interest on the outstanding principal balance of this Note shall be compounded annually and shall accrue at the per annum rate (the "Note Rate") of eight percent (8%) from the date of each disbursement of funds.

ADDITIONAL CONSIDERATION. Due to the fact that the security for this Note is a deed of trust third in priority to a first and second deed of trust on the Property, thereby making this loan a "high risk loan", Borrower agrees to pay Lender additional consideration and not as additional interest as follows: Fifty percent (50%) of the net profits derived from the sale of each of the residences located at 271 S. Mapleton Drive, Los Angeles, CA and 1175 Hillcrest, Beverly Hills, CA and Fifteen percent (15%) of the net profits derived from the sale of the residence at 944 Airole, Los Angeles, CA

The additional consideration shall be due and payable, without interest, on the Maturity Date.

PRINCIPAL AND INTEREST PAYMENTS. Principal and interest shall be payable on the Maturity Date.

All payments due hereunder, including payments of principal and/or interest, shall be made to Lender in United States Dollars and shall be in the form of immediately available funds.

MATURITY DATE. The entire unpaid principal balance, all unpaid accrued interest thereon, and all other amounts due hereunder shall be due and payable without demand and/or notice on the date of the sale of the property located at 944 Airole, Los Angeles, California (the "Property"), which is the security for the amount due under this Note.

PREPAYMENT. The principal amount of this Note may be prepaid in whole or in part, without any premium and/or penalty, at any time.

LATE CHARGES. Time is of the essence for all payments and other obligations due under this Note. Borrower acknowledges that if any payment of principal and interest

required under this Note is not received by Lender within seven (7) days after the same becomes due and payable, Lender will incur extra administrative expenses (i.e., in addition to expenses incident to receipt of timely payment) and the loss of the use of funds in connection with the delinquency in payment. Because the actual damages suffered by Lender by reason of such administrative expenses and loss of use of funds would be impracticable or extremely difficult to ascertain, Borrower agrees that one percent (1%) of the amount of the delinquent payment per month, or portion of a month during which the breach is not cured, shall be the amount of damages which Lender is entitled to receive upon such breach, in compensation therefore.

INSURANCE. Insurance against loss or damage to the Property by fire, windstorm, lightning, tornado and hail and against loss and damage by such other, additional risks as may be now or hereafter embraced by an "all-risk" or "special form" insurance policy shall be maintained by Borrower until amounts due hereunder have been paid in full. The amount of such insurance shall be one hundred percent (100%) of the full replacement cost (insurable value) of the improvements, without reduction for depreciation. The determination of the replacement cost amount shall be adjusted annually to comply with the requirements of the insurer issuing such coverage. Absent such annual adjustment, each policy shall contain inflation guard coverage. Full replacement costs, as used herein, means, with respect to the improvements, the cost of replacing the improvements without regard to deduction for depreciation, exclusive of the cost of excavations, foundations and footings. Each policy shall contain a replacement cost endorsement and either an agreed amount endorsement (to avoid the operation of any co-insurance provisions) or a waiver of co-insurance provisions, all subject to Lender's approval. The maximum deductible shall be Twenty-Five Thousand Dollars (\$25,000.00).

All such insurance shall (i) be with insurers fully licensed and authorized to do business in California and which have and maintain a claims paying ability rating of "B+" or better by Standard & Poor's (or equivalent rating agency) or an "B+ VIII" or better from A.M. Best, (ii) contain the complete addresses of the Property (or a complete legal description), (iii) be for terms of at least one year, with premium prepaid, and (iv) include a standard, non-contributory, beneficiary clause naming the payees of this Note, its successor and assigns, as the first beneficiary.

Borrower shall, as of the date hereof, deliver to Lender evidence that said insurance policy has been prepaid as required above with an original certificate signed by an authorized agent of the insurance company evidencing such insurance satisfactory to beneficiary. Borrower shall renew all such insurance and deliver to Lender a certificate evidencing such renewal at least thirty (30) days before any such insurance shall expire. Borrower further agrees that each such insurance policy: (i) shall provide for at least thirty (30) days notice to Lender prior to any policy reduction or cancellation due to non-payment of premium; (ii) shall contain an endorsement or agreement by the insurer that any loss shall be payable to Lender in accordance with the terms of such policy notwithstanding any act or negligence of Borrower or any other person which might otherwise result in forfeiture of such insurance; and (iii) in the event that the Property or the improvements constitutes a legal non-conforming use under applicable building, zoning or land use laws or ordinances, shall include an ordinance and law coverage endorsement which will contain Coverage A: "Loss Due to Operation of Law" (with a minimum liability limit equal to

Replacement Cost With Agreed Value Endorsement), Coverage B: "Demolition Cost" and Coverage C: "Increased Cost of Construction" coverages. This Memorandum of Agreement is made and entered into this 1st day of January, 2016 by and between CRESTLLOYD, LLC, a California Limited Liability Company ("Crestlloyd") and INFERNO INVESTMENTS INC. ("Inferno").

RECITALS

The parties desire to set forth their respective rights with regard to distribution of proceeds at such time as the residence being constructed by Crestlloyd (as successor to the Company) at 944 Airole Way, Los Angeles, California (the "Residence") is sold.

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

1. Incorporation of Recitals. The above Recital is incorporated herein by this reference as though made a part hereof.

2. Division of Profits and Losses. Profits and Losses shall be allocated as follows: Fifty percent (50%) to Crestlloyd for Developer fee and fifty percent (50%) to Crestlloyd and Inferno in proportion to the money loaned by each to finance the construction of the Residence.

For Example: Assume Inferno loaned \$18,000,000.00 and Crestlloyd loaned \$41,000,000.00. Inferno's share of the profits and losses is 15.25% ($\$18,000,000 \div \$59,000,000 = 30.5\%$ multiplied by 50% = 15.25%). Crestlloyd's share of the profits and losses is 84.75% ($\$41,000,000 \div \$59,000,000 = 69.5\%$ multiplied by 50% = 34.75%), plus Crestlloyd's Developer fee of 50% = 84.75%.

3. Distributions. All proceeds received from a sale, condemnation, financing or refinancing of the Residence shall be distributed in the following manner:

First, to repay the loan(s) obtained from a bank or third parties (excluding Crestlloyd and Inferno) and all other unpaid costs of construction of the Residence.

Second, to Crestlloyd and Inferno, pro rata, in repayment of any loans owing them, together with simple interest thereon at the rate of eight percent (8%) per annum.

Third, to Crestlloyd, the sum of ONE HUNDRED FORTY-FIVE THOUSAND DOLLARS (\$145,000.00) as compensation for general office overhead and services rendered by it in connection with the construction of the Residence.

Thereafter, to Crestlloyd and Inferno in accordance with their share of the profits and losses determined in the manner set forth in paragraph 2 above.

IN WITNESS HEREOF, the parties have executed this Memorandum of Agreement, effective as of the date set forth above.

6. As set forth more fully below, J&E reserves the right to: (a) amend the Claim to state its Claim with more specificity, including to add additional amounts for accruing interest and attorneys' fees; and or (b) if applicable, seek to have the Claim estimated pursuant to 11 U.S.C. § 502(c).

A. Basis for Claim

(1) The Contract

7. On or about July 1, 2016, J&E and the Debtor entered into a written "Construction Agreement" in which J&E agreed to furnish labor and material to that subject real property and work of improvement located at 944 Airole Way, Los Angeles, California 90077; APN 4369-026-021 (the "Project") for an agreed upon contract price of \$925,000.00, which the Debtor agreed to

1 pay (“Contract”).

2 8. In accordance with the Contract and pursuant to extra work ordered by the Debtor
3 for the Project, J&E furnished labor and materials that were used and intended to be used in the
4 Project.

5 9. J&E performed all of the obligations, conditions, covenants, and promises required
6 to be performed by it in accordance with the Contract, and any other agreements governing J&E’s
7 construction and improvement of the Project for the Debtor, except for those terms for which
8 performance has been excused (if applicable). J&E properly invoiced the Debtor pursuant to the
9 payment terms of those agreements. J&E reasonably incurred these costs to construct and improve
10 the Project on the Debtor’s behalf and for the Debtor’s benefit. The Debtor failed to pay J&E the
11 full amount due under the Contract for work performed at the Project by J&E.

12 10. As of October 26, 2021 (the “Petition Date”), the Debtor has failed to pay J&E
13 \$214,147.50, plus interest at the legal rate under the terms of the Contract and reasonable attorneys’
14 fees and costs incurred in enforcing the Contract. (*See* Contract, Art. 12).

15 (2) **The Mechanic’s Lien**

16 11. On June 30, 2020, J&E served on the Debtor and filed a verified Claim of Lien,
17 Instrument No. 20200712043, in the Los Angeles County Recorder’s Office, after J&E’s completed
18 the agreed-on work and before the expiration of 90 days after completion of the work of
19 improvement, no notice of completion or cessation having been recorded. In its verified Claim of
20 Lien, J&E claimed a mechanic’s lien for supplied labor, services, equipment and/or materials for
21 work at the Project. J&E’s total Claim of Lien is in the amount of \$214,147.50, which was the
22 estimated approximate reasonable value of all labor, materials, and equipment which J&E had
23 furnished to the Debtor and the Project, after deducting all proper credits and offsets, together with
24 interest at the rate of 10% per annum from the date that various invoices were due. ***See Exhibit A.***

25 12. On September 4, 2020, J&E filed a *Complaint for Breach of Contract and*
26 *Foreclosure of Mechanic’s Lien* against the Debtor and other defendants in the Superior Court of
27 the State of California, County of Los Angeles-Santa Monica Courthouse, Case No.
28 20SMCV01229 (the “Mechanic’s Lien Foreclosure Action”).

1 13. On October 15, 2020, J&E filed a *Notice of Lis Pendens* against the Project.

2 14. J&E has complied with all applicable provisions of the California Civil Code
3 required of a mechanic's lien claimant to perfect and maintain a mechanic's lien.

4 **B. Reservation of Rights**

5 15. J&E reserves all legal, equitable and contractual rights against all parties (including
6 the Debtor) with respect to the Claim. J&E reserves the right to amend, supplement or modify the
7 Claim at any time. The obligations due to J&E remain outstanding and additional obligations may
8 continue to be identified. J&E reserves its right to pursue claims (including but not limited to the
9 claims described herein) against the Debtor based upon additional or alternative legal theories and
10 reserves the right to file additional or other pleadings to assert any of the amounts set forth in this
11 Claim or any amendments thereto, including, without limitation, any postpetition administrative
12 expenses pursuant to the Bankruptcy Code, including sections 503 and 507 thereof.

13 16. To the extent that the Debtor asserts claims against J&E, J&E reserves the right to
14 assert that such claims are subject to rights of setoff and/or recoupment, whether or not arising
15 under the transactions set forth in this Claim. To the extent that the Debtor or any other party takes
16 any action that would give rise to a counterclaim or other rights or claims that J&E may have against
17 the Debtor, J&E reserves all of its rights. By filing this Claim, J&E does not waive, and specifically
18 reserves, its respective procedural and substantive defenses to any claim that may be asserted against
19 J&E by the Debtor, by any trustee of its estate, by any official committee, or by any other party.
20 J&E reserves all rights accruing to it against the Debtor, and the filing of this Claim is not intended
21 to be, and shall not be construed as, an election of remedy or a waiver of limitation of any rights of
22 J&E.

23 17. Nothing contained in this Claim shall constitute a waiver of (i) the right to have final
24 orders in non-core matters entered only after de novo review by a United States District Court
25 Judge; (ii) the right to trial by jury in any proceeding triable in this case or any case, controversy,
26 or proceeding related to this case; (iii) the right to have the District Court withdraw the reference
27 in any matter subject to mandatory or discretionary withdrawal; (iv) any objection to the jurisdiction
28 or venue of this Court; (v) an election of remedy, including any election between its contribution

1 and subrogation rights; (v) the right to amend this proof of claim as it becomes further known, fixed
2 and liquidated, and for any and all other lawful purposes; (vi) the right to assert claims for attorneys'
3 fees and costs which continue to accrue and be incurred (and which are not in the amount set forth
4 in this Claim, but to which Claimant is entitled pursuant to its contracts with the Debtor); (vii) the
5 right to assert claims for interest which accrues and continues to accrue (and which is not set forth
6 in this Claim, but to which Claimant is entitled pursuant to its contracts with the Debtor); and/or
7 (viii) any other right, claim, action, defense, setoff, or recoupment, in law or in equity, under any
8 agreement, all of which are expressly reserved.

5 33. There is now due, owing and unpaid from each of the Defendants the sum of

21 Records' Office as Document No. 2020-0709010 the claim of lien ("Mechanic's Lien") duly

25 and the Property for the amount of the unpaid Contract price alleged above which price is the
26 reasonable value of all labor, materials, services, and/or equipment Plaintiff has furnished. Plaintiff
27 has further incurred indebtedness in the sum of \$500.00, the necessary costs of recording and
28 verifying the claim of lien.

40. Within the time required by law, Plaintiff duly served its preliminary notice, specifically on or about June 25, 2020. Likewise, on June 29, 2020, and within the time required by law, Plaintiff recorded the Mechanic's Lien and gave notice to the appropriate parties as required by law.

41. Plaintiff is informed and believes and thereon alleges that each of the Defendants claim to have some right, title, or interest in the above-described Property, the exact nature of which claims are unknown to Plaintiff, but which claims are subject and subordinate to the claim of lien of Plaintiff.

4. Adjudging on the Fifth Cause of Action that if there is a deficiency of proceeds to satisfy the amounts due to the Plaintiff, judgment for the deficiency be entered against the Defendants following proceedings prescribed by law.

5. For the costs of recording the mechanic's lien in the amount of \$500.00.

6. Permitting Plaintiff to become a purchaser at the lien-enforcement sale.

1 7. For attorneys' fees as allowed by Cal. Civ. Code section 1717.5 and/or Cal. Civ.
2 Code sections 8800 and 8812, and pursuant to the Contract.

3 8. For costs of suit herein incurred.

Customer acknowledges that Rental Center has no responsibility to inspect the equipment while it is in Customer's possession.

9. RETURN OF EQUIPMENT. Customer agrees to return to Rental Center the equipment in as good condition and repair as when received, by Rental Agreement Agreed Return Date. Customer shall be liable for all damages (up to the full replacement cost of the equipment and loss of rental revenue) to or loss of the equipment and liability incurred prior to equipment's return to Rental Center. Customer shall be responsible for all costs incurred by Rental Center recovering and returning damaged equipment to Rental Center's premises. If equipment is to be "picked-up" by Rental Center, Customer agrees to provide a secure storage location and Customer accepts all risk including damage to and liability relative to equipment for a period of time until the equipment is picked-up by Rental Center.

10. DISCLAIMER OF WARRANTIES. Rental Center makes no warranty of merchantability or fitness for any particular use or purpose, either express or implied. There is no warranty or representation that the equipment is fit for Customer's particular intended use, or that it is free of latent defects. Rental Center shall not be responsible to Customer or any third party for any loss, damage or injury resulting from, or in any way attributable to the operation of, use of, or any failure of the equipment. Rental Center shall not be responsible for any defect or failure unknown to the Rental Center. Customer's sole remedy for any failure of or defect in the equipment shall be termination of the rental charges at the time of failure provided that Customer notifies Rental Center immediately and in writing of such failure and returns the equipment to Rental Center within twenty-four (24) hours of such failure.

Customer's purchase order number on this Rental Agreement is for Customer's convenience and identification only and does not bind Rental Center.

12. SUBLETTING. Customer agrees not to sublet, loan or assign the equipment.

13. DEFAULT. Should Customer in any way fail to observe or comply with any provision of this Rental Agreement, Rental Center may, at its sole option, terminate this Rental Agreement, retake the equipment, declare any charges due and payable and initiate legal process to recover monies owed, and/or, pursue any other legal rights and remedies available to Rental Center. Exercise of any remedy available to Rental Center shall not constitute an election of remedies or a waiver of any additional remedies to which Rental Center may be entitled.

14. RETAKING OF EQUIPMENT. If for any reason it becomes necessary for Rental Center to retake the equipment, Customer authorizes Rental Center to retake the equipment without further notice or further legal process and agrees that Rental Center shall not be liable for any claims for damage or trespass arising out of the removal of the equipment.

15. LEGAL FEES. In the event an attorney is retained to enforce any provision (including collection costs) of this Rental Agreement, the prevailing party in the dispute shall be entitled to recover reasonable attorney's fees and court costs in such action, or proceeding, in an amount to be determined by the court.

16. EQUIPMENT PROTECTION PLAN. Equipment Protection Plan is Not Insurance. By Customer accepting the Equipment Protection Plan on the front of this Rental Agreement and with immediate notification in the event of an accident and the prompt submission of applicable police reports, Rental Center and Customer agree that Rental Center will waive certain claims (eg: fire, flood, wind and earthquake) against Customer for direct physical damage to the equipment while in use by the Customer. Notwithstanding the foregoing the following conditions are not covered under the Equipment Protection Plan:

- Damage resulting from improper use, failure to secure during transportation, overloading or exceeding the rated capacity of the equipment;

17. NOTICE OF NON-WAIVER/SEVERABILITY. Any failure of Rental Center to insist upon strict performance by Customer as regards any provision of this Rental Agreement shall not be interpreted as a waiver of Rental Center's right to demand strict compliance with all other provisions of this Rental Agreement against Customer or any other person. The provisions of this Rental Agreement shall be severable so that the unenforceability, invalidity or waiver of any provision shall not effect any other provision.

18. INSURANCE. Customer shall maintain in full force and effect during the term of this Agreement separate General Liability and Automobile Liability insurance policies with coverage limits for bodily injury, including death, personal injury and/or property damage that will respond as primary coverage for Customer's liability and all obligations outlined under this Agreement. In addition to the foregoing, Customer shall maintain Property Insurance in an amount adequate to cover any loss and/or damage to the equipment, up to full replacement cost. Customer shall furnish Rental Center with a Certificate of Insurance evidencing the foregoing insurance requirements and naming Rental Center as an additional insured.

NOTICE OF MECHANICS LIEN ATTENTION!

Upon the recording of the enclosed MECHANICS LIEN with the county recorder's office of the county where the property is located, your property is subject to the filing of a legal action seeking a court ordered foreclosure sale of the real property on which the lien has been recorded. That legal action must be filed with the court no later than 90 days after the date the mechanic's lien is recorded.

The party identified in the enclosed mechanics Lien may have provided labor or materials for improvements to your property and may not have been paid for these items. You are receiving this notice because it is a required step in filing a mechanic's lien foreclosure action against your property. The foreclosure action will seek a sale of your property in order to pay for unpaid labor, materials, or improvements provided to your property. This may affect your ability to borrow against, refinance, or sell the property until the mechanic's lien is released.

BECAUSE THE LIEN AFFECTS YOUR PROPERTY, YOU MAY WISH TO SPEAK WITH YOUR CONTRACTOR IMMEDIATELY, OR CONTACT AN ATTORNEY, OR FOR MORE INFORMATION ON MECHANIC'S LIENS GO TO THE CONTRACTORS' STATE LICENSE BOARD WEBSITE AT www.cslb.ca.gov.

Please complete and sign at least one (1) of the following proofs of service and record it along with your Mechanic's Lien. Always attempt to serve the owner or reputed owner. Per California Civil Code Section 8416(c)(2) you must use the "ALTERNATIVE PROOF OF SERVICE AFFIDAVIT" if the owner or reputed owner cannot be served under Civil Code Section 8416(c)(1). You may wish to protect yourself against this by (1) requiring your contractor to provide a signed release by the person or firm that has given you this notice before making payment to your contractor, or (2) any other method that is appropriate under the circumstances. This notice is required by law to be served by the undersigned as a statement of your legal rights. This notice is not intended to reflect upon the financial condition of the contractor or the person employed by you on the construction project. NOTICE OF DEFAULT AND ELECTION TO SELL UNDER DEED OF TRUST**

IF YOUR PROPERTY IS IN FORECLOSURE BECAUSE YOU ARE BEHIND IN YOUR PAYMENTS, IT MAY BE SOLD WITHOUT ANY COURT ACTION, and you may have the legal right to bring your account in good standing by paying all of your past due payments plus permitted costs and expenses within the time permitted by law for reinstatement of your account, which is normally five business days prior to the date set for the sale of your property. No sale date may be set until approximately 90 days from the date this notice of default may be recorded (which date of recordation appears on this notice).

This amount is \$110,247,987.99 as of 03/03/2021 and will increase until your account becomes current.

While your property is in foreclosure, you still must pay other obligations (such as insurance and taxes) required by your note and deed of trust or mortgage. If you fail to make future payments on the loan, pay taxes on the property, provide insurance on the property, or pay other obligations as required in the note and deed of trust or mortgage, the beneficiary or mortgagee may insist that you do so in order to reinstate your account in good standing. In addition, the beneficiary or mortgagee may require as a condition to reinstatement that you provide reliable written evidence that you paid all senior liens, property taxes, and hazard insurance premiums.

Upon your written request, the beneficiary or mortgagee will give you a written itemization of the entire amount you must pay. You may not have to pay the entire unpaid portion of your account, even though full payment was demanded, but you must pay all amounts in default at the time payment is made. However, you and your beneficiary or mortgagee may mutually agree in writing prior to the time the notice of sale is posted (which may not be

SEE EXHIBIT "A" ATTACHED HERETO AND MADE A PART HEREOF.

NOTICE TO POTENTIAL BIDDERS: If you are considering bidding on this property lien, you should understand that there are risks involved in bidding at a trustee auction. You will be bidding on a lien, not on the Property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the Property. You should also be aware that the lien being auctioned off may be a

junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the Property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this Property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the Property.

NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this Property, you may call **1.866.684.2727** or visit this Internet Website www.servicelinkasap.com, using the file number assigned to this case **4565-40**. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Website. The best way to verify postponement information is to attend the scheduled sale.

NOTICE TO TENANT: You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call **1.866.684.2727**, or visit this internet website www.servicelinkasap.com, using the file number assigned to this case **4565-40** to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase.

The real Property heretofore described is being sold "as is". The street address and other common designation, if any, of the real Property described above is purported to be: 944 Airole Way, Los Angeles, CA

The undersigned Trustee disclaims any liability for any incorrectness of the street address and other common designation, if any, shown herein.

Said sale will be made without covenant or warranty, express or implied, regarding title, possession, or encumbrances, to pay the remaining unpaid balance of the obligations secured by and pursuant to the power of sale contained in that certain Deed of Trust (together with any modifications thereto).

The total amount of the unpaid balance of the obligations secured by the Property to be sold and reasonable estimated costs, expenses and advances at the time of the initial publication of this Notice of Trustee's Sale is estimated to be \$116,169,627.86 (Estimated), provided, however, prepayment premiums, accrued interest and advances will increase this figure prior to sale. Beneficiary's bid at said sale may include all or part of said amount. In addition to cash, the Trustee will accept a cashier's check drawn on a state or national bank, a check drawn by a state or federal credit union or a check drawn by a state or federal savings and loan association, savings association or savings bank specified in Section 5102 of the California Financial Code and authorized to do business in California, or other such funds as may be acceptable to the trustee. In the event tender other than cash is accepted, the Trustee may withhold the issuance of the Trustee's Deed Upon Sale until funds become available to the payee or endorsee as a matter of right. The Property offered for sale excludes all funds held on account by the Property receiver, if applicable.

The party identified in the enclosed mechanics lien may have provided labor or materials for improvements to your property and may not have been paid for these items. You are receiving this notice because it is a required step in filing a mechanics lien foreclosure action against your property. The foreclosure action will seek a sale of your property in order to pay for unpaid labor, materials, or improvements provided to your property. BECAUSE THE LIEN AFFECTS YOUR PROPERTY, YOU MAY WISH TO SPEAK WITH YOUR CONTRACTOR IMMEDIATELY, OR CONTACT AN ATTORNEY, OR FOR MORE INFORMATION ON MECHANICS LIENS GO TO THE CONTRACTORS' STATE LICENSE BOARD WEB SITE AT www.cslb.ca.gov.

I am "readily familiar" with the firm's practice of collection and processing correspondence for mailing. Under that practice it would be deposited with U.S. postal service on that same day with postage thereon fully prepaid at North Hollywood, California in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing in affidavit.

ATTACHMENT TO PROOF OF CLAIM

On or about October 25, 2018, Hankey Capital, LLC ("Hankey") loaned Crestlloyd, LLC ("Crestlloyd") the principal sum of \$82,500,000.00 (the "Hankey Loan") for construction on and the improvement of the real property located at 944 Airole Way, Los Angeles, California (the "Property"). To memorialize the Hankey Loan, on or about October 25, 2018, Hankey and Crestlloyd entered into a written Construction Loan Agreement (the "Construction Loan Agreement"). At the same time, Crestlloyd executed and delivered to Hankey a written Promissory Note (the "October 2018 Note") for the principal sum of \$82,500,000.00. Additionally, Hankey and Crestlloyd entered into a written Security Agreement ("Security Agreement"), and Crestlloyd executed and delivered to Hankey a Construction Deed of Trust, Security Agreement and Fixture Filing With Assignment of Rents, recorded on November 6, 2018, in the Los Angeles County Recorder's Office as Doc. No. 20181122917 encumbering the Property and securing, among other things, Crestlloyd's obligations under the October 2018 Note (the "Hankey Deed of Trust"). The Hankey Deed of Trust is attached hereto as Exhibit "A."

On or about December 10, 2019, Hankey and Crestlloyd agreed to increase the principal amount of the Hankey Loan to \$91,000,000 for, among other things, the purpose of continuing the construction of the Property's improvements and funding an interest reserve. On or about August 20, 2020, Hankey and Crestlloyd again increased the principal amount of the Hankey Loan to \$106,000,000 for, among other things, the construction of the Property's improvements and funding an interest reserve. To memorialize such loan increases, Amended and Restated Promissory Notes, along with a modification of the construction loan agreement, were executed. Additionally, a Modification of Deed of Trust, modifying the Hankey Deed of Trust, was executed, delivered and recorded in the Los Angeles County Recorder's Office as Doc. No. 20201030024 against and with respect to the Property. As a result of the foregoing modifications, the maturity date of the Hankey Loan, as modified, was extended to October 31, 2020 ("Maturity Date"). The Modification of Deed of Trust is attached hereto as Exhibit "B."

On March 5, 2021, as a result of Crestlloyd's defaults under the Hankey Loan documents, including the failure to pay, in full, the Hankey Loan, as modified, on the Maturity Date, Hankey recorded, in the Los Angeles County Recorder's Office as Doc. No. 20210367447, a Notice of Default and Election to Sell Under Deed of Trust commencing a non-judicial foreclosure proceeding with respect to the Property. On June 14, 2021, Hankey recorded, in the Los Angeles County Recorder's Office as Doc. No. 20210934061, a Notice of Trustee's Sale scheduling a non-judicial foreclosure auction sale of the Property for July 12, 2021, which was subsequently postponed to October 27, 2021.

On or about June 24, 2021, and as a result of certain defaults under the Hankey Loan documents, including Crestlloyd's failure to pay, in full, the Hankey Loan, as modified, at the Maturity Date, Hankey commenced a civil action against Crestlloyd in the Superior Court of California for the County of Los Angeles (the "Superior Court"), designated as Case No. 21SMCV01113 (the "Hankey Action"). On or about July 2, 2021, the Superior Court, in the Hankey Action, entered an Order appointing Theodore Lanes (the "Receiver") as Receiver for and over the Property. The Receiver's appointment as receiver for the Property was further confirmed by an Order of the Superior Court entered on or about July 23, 2021.

On October 26, 2021 (the "Petition Date"), Crestlloyd filed its Voluntary Petition commencing its chapter 11 case. After the Petition Date, Crestlloyd's chapter 11 counsel requested a copy of all of the loan documents and agreements with respect to the Hankey Loan, as modified. On November 10, 2021, Hankey delivered to Crestlloyd's chapter 11 counsel all of the numerous and voluminous Hankey Loan documents. Due to the voluminous nature of the Hankey Loan documents, they are all not attached hereto but are available upon request by those entitled thereto.

As a result of the Hankey Loan, as modified, Crestlloyd owes Hankey, with respect to only the Hankey Loan, as modified, the following sums, as of the Petition Date:

Outstanding Principal Amount: **\$105,402,020.45**

Accrued Nondefault Interest (11%) through October 26, 2021: **\$10,719,696.45**

Accrued Default Interest (16%) through October 26, 2021: **\$5,992,640.69**

Attorney's fees and costs as of October 26, 2021: **\$524,265.82** (\$356,663.82 in attorney's fees and \$167,602.00 in costs)

Daily default interest (16%) amount: **\$46,845.34**

TOTAL AS OF OCTOBER 26, 2021: **\$122,638,623.41** plus all interest, including default interest, attorney's fees, costs, expenses and all other sums accruing/incurred pursuant to the Hankey Loan documents, as modified, after the Petition Date.

The claim set forth herein includes only prepetition claims with respect to the Hankey Loan, as modified, presently known to Hankey against Crestlloyd. In addition to such claim, Hankey may have, and may file, other additional and substantial pre-petition claims and postpetition claims against Crestlloyd, which claims are not included herein but which claims are otherwise specifically reserved by Hankey.

Hankey reserves the right to amend this claim as necessary or appropriate to amend, revise, increase or correct the amount and/or details of the claim(s) set forth herein and/or to include any and all other claims that Hankey may now have or may have in the future against Crestlloyd. Nothing contained herein shall be deemed a waiver of any rights that Hankey has or may have, including, but not limited to, rights to claim and recover interest, attorney's fees, costs and other sums arising or accruing after the Petition Date.

Hankey also expressly reserves all other rights, including, without limitation (i) the right of recoupment, (ii) any other defenses to any cause of action, and (iii) to the extent that this claim is used defensively as a right of setoff, Hankey asserts that such claim(s) are secured claims.

The filing of this claim is not and shall not be deemed or construed as: (a) a waiver or release of Hankey's rights against any person, entity or property; (b) a waiver of the right to withdraw this claim and to have the withdrawal treated as if no claim was filed; (c) an admission of any kind; (d) an election of remedies; or (e) submission to the jurisdiction of this Court.

Trustor further agrees to deposit with Beneficiary within thirty (30) days of Beneficiary's request, all receipts or other satisfactory evidence of the payment of taxes, assessments, charges, claims and liens of every nature (hereinafter collectively referred to as "taxes" or "tax") affecting or which may affect the Property or any part thereof. Upon the request of Beneficiary, following Trustor's failure to

provide such evidence of payment, Trustor thereafter shall deposit with and pay to Beneficiary, on the first day of each calendar month, a sum equivalent to one-twelfth (1/12) of the estimated annual taxes assessed or levied against the Property and all annual premiums for insurance required by this Deed of Trust to be furnished by Trustor, and upon the date when any such tax or insurance premiums shall become due shall pay to Beneficiary an amount which, taken together with tax and insurance deposits theretofore made and not expended for taxes and insurance, shall be sufficient to pay and discharge such tax and insurance premiums. Beneficiary shall not be liable for interest on any such tax and insurance deposits and may mingle the same with its general funds, and such deposits shall create a debtor-creditor relationship and not that of a trust. Trustor shall procure and deliver to Beneficiary, in advance, statements for such charges. Payments from said account for such purposes may be made by Beneficiary at Beneficiary's discretion, even though subsequent owners of the property described herein may benefit thereby. In the event of any default under the terms of this Deed of Trust, any part or all of the balance of said account may be applied to any part of the indebtedness hereby secured, and, in refunding any part of said account, Beneficiary may deal with whomever is represented to be the owner of said property at that time. The enforceability of the covenants relating to taxes and insurance premiums provided for herein shall not be affected, except to the extent that said obligations have been actually met by compliance with this paragraph.

1.06 Insurance. Trustor at all times shall keep the buildings and improvements which are now or hereafter erected upon said property insured against loss or damage by vandalism, malicious mischief and fire with extended coverage (and by other hazards as reasonably may be required by Beneficiary) and shall procure and maintain in force such other insurance as may be required by Beneficiary, all in amounts approved by Beneficiary and by an insurance company or companies or governmental agency or instrumentality approved by Beneficiary, and the policies for such insurance shall be made payable, in case of loss, to Beneficiary pursuant to standard mortgagee's loss payable endorsement, and shall be delivered to and held by Beneficiary as further security for payment under the Note and other moneys herein mentioned, said policies shall provide for fifteen days' notice to Beneficiary prior to cancellation or nonrenewal for any reason, including nonpayment of premium; and in default thereof, Beneficiary may procure such insurance to be effected upon Beneficiary's interest as Beneficiary or upon the interest of Trustee or upon the interest of the owners of the Property and in their names; loss, if any, being made payable to Beneficiary, and Beneficiary may pay and expend for premiums for such insurance such moneys as Beneficiary may deem to be necessary. The form of said policies shall be approved by Beneficiary. If Trustor is a co-insurer under any policies of fire and extended coverage insurance, then Trustor covenants and agrees that, upon request of Beneficiary at any time, it will furnish the Beneficiary satisfactory evidence of insurable value of the improvements situated on said Property. In addition, Trustor shall procure and maintain liability insurance insuring Trustor and, if requested, Beneficiary against liability because of personal injury or property damage in amounts and by companies approved by Beneficiary.

1.07 Insurance and Condemnation Proceeds. Should a loss occur under any policy of insurance required by Paragraph 1.06 hereof, or should all or any portion of the Property be taken or damaged by reason of any public improvement or condemnation proceeding, Beneficiary shall be entitled to all insurance proceeds, compensation, awards, and other payments or relief therefor (all hereinafter referred to as "proceeds"), and, whether or not the

6

security for the Note secured by this Deed of Trust has been impaired, Beneficiary shall be entitled to apply the proceeds collected, after first deducting therefrom all its expenses, including attorneys' fees, in collecting said proceeds, to any and all indebtedness secured hereby and thereafter shall pay the balance remaining, if any, to Trustor. At its option, in its own name, Beneficiary shall be entitled to commence, appear in and prosecute any action or proceedings or to make any compromise or settlement, in connection with such loss, taking or damage. All such proceeds and rights of action hereby are assigned to Beneficiary. Notwithstanding the foregoing, absent an "Event of Default" as set for in Paragraph 4.00 below, in the event of such insurance loss or that only a portion of the Property is taken or damaged by reason of any public improvement or condemnation proceeding, and restoration is necessary, Beneficiary, after deducting from said proceeds received all its expenses, including attorneys' fees, may release to Trustor as restoration progresses, so much of said amount as equals the costs of restoration effected by Trustor, subject to reasonable conditions, including the right of Beneficiary to withhold up to ten percent (10%) of said amount until completion and the expiration of the period within which mechanics' or materialmen's liens may be filed and until receipt of satisfactory evidence that no liens exist. Any amount required to complete such restoration in excess of such proceeds shall be paid to Trustor before such proceeds are used. Trustor agrees to execute such further assignments of any such proceeds and rights of action as Beneficiary or Trustee may require.

1.08 Performance of Other Obligations. Trustor promises and agrees to perform all of the obligations in and under the Note, and any other documents given now or hereafter as security for the Indebtedness secured by this Deed of Trust.

1.09 Restrictions on Transfer or Further Encumbrance. Absent the prior written consent of Beneficiary, Trustor shall not (a) execute or deliver any pledge, security agreement, mortgage, deed of trust or other instrument of hypothecation, covering all or any portion of the Property or any interest therein; (b) sell, convey, alienate, transfer or otherwise dispose of all or any portion of the Property or any interest therein, whether voluntarily or involuntarily, by operation of law or otherwise; (c) in the event Trustor is a corporation or trust or similar entity, sell, convey, transfer or encumber, whether voluntarily, involuntarily or otherwise, more than ten percent (10%) of the issued and outstanding capital stock of Trustor or of the beneficial interest of such trust or similar entity; or (d) in the event Trustor is a limited or general partnership, or a joint venture, change any constituent general partner or any joint venturer whether voluntarily, involuntarily or otherwise, or sell, convey, transfer, change or encumber any such general partner or joint venturer interests.

1.10 Environmental Compliance. Trustor shall keep and maintain the Property in compliance with, and shall not cause or permit the Property to be in violation of any federal, state or local laws, ordinances or regulations relating to industrial hygiene or to the environmental conditions on, under or about the Property including, but not limited to, soil and ground water conditions. Trustor shall not use, generate, manufacture, store or dispose of on, under or about the Property or transport to or from the Property any flammable explosives, radioactive materials, hazardous wastes, toxic substances or related materials, including, without limitation, any substances defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials" or "toxic substances" under any applicable federal or

1

state laws or regulations (collectively referred to hereinafter as "Hazardous Materials"), except only those materials and substances which are usually and customarily used in the operation of a residential construction project so long as the amount of such materials and substances which are used or stored upon the Property shall not exceed the amount reasonably required for the operation of such business in its normal and ordinary course.

Trustor shall immediately advise Beneficiary in writing of (i) any and all enforcement, cleanup, removal or other governmental or regulatory actions instituted, completed or threatened pursuant to any applicable federal, state or local laws, ordinances, or regulations relating to any Hazardous Materials affecting the Property ("Hazardous Materials Laws"); (ii) all claims made or threatened by any third party against Trustor or the Property relating to damage, contribution, cost recovery compensation, loss or injury resulting from any Hazardous Materials (the matters set forth in clauses (i) and (ii) above are hereinafter referred to as "Hazardous Materials Claims"); and (iii) Trustor's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could cause the Property or any part thereof to be classified as "border-zone property" under the provisions of California Health and Safety Code, Sections 25220 et. seq. or any regulation adopted in accordance therewith, or to be otherwise subject to any restrictions on the ownership, occupancy, transferability or use of the Property under any Hazardous Materials Laws.

Beneficiary shall have the right to join and participate in, as a party, if it so elects, any legal proceedings or actions initiated in connection with any Hazardous Materials Claims and to have its reasonable attorneys' fees in connection therewith paid by Trustor. Trustor shall be solely responsible for, and shall indemnify and hold harmless Beneficiary, its directors, officers, employees, agents, successors and assigns from and against any loss, damage, cost, expense or liability directly or indirectly arising out of or attributable to the use, generation, storage, release, threatened release, discharge, disposal, or presence of Hazardous Materials on, under or about the Property, including, without limitation: (a) all foreseeable consequential damages; (b) the costs of any required or necessary repair, cleanup or detoxification of the Property, and the preparation and implementation of any closure, remedial or other required plans; and (c) all reasonable costs and expenses incurred by Beneficiary in connection with clauses (a) and (b) including, but not limited to, reasonable attorneys' fees.

Without Beneficiary's prior written consent, which shall not be unreasonably withheld, Trustor shall not take any remedial action in response to the presence of any Hazardous Materials on, under, or about the Property, nor enter into any settlement agreement, consent decree, or other compromise in respect to any Hazardous Material Claims, which remedial action, settlement, consent or compromise might, in Beneficiary's reasonable judgment, impair the value of the Beneficiary's security hereunder; provided, however, that Beneficiary's prior consent shall not be necessary in the event that the presence of Hazardous Materials on, under, or about the Property either poses an immediate threat to the health, safety or welfare of any individual or is of such a nature that an immediate remedial response is necessary and it is not possible to obtain Beneficiary's consent before taking such action, provided that in such event Trustor shall notify Beneficiary as soon as practicable of any action so taken. Beneficiary agrees not to withhold its consent, where such consent is required hereunder, if either (i) a particular remedial action is ordered by a court of competent jurisdiction, or (ii) Trustor establishes to the

reasonable satisfaction of Beneficiary that there is no reasonable alternative to such remedial action which would result in less impairment of Beneficiary's security hereunder.

1.11 Indemnification. Trustor hereby agrees to indemnify Beneficiary and hold Beneficiary harmless from and against any and all claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind, and all costs and expenses incurred in connection therewith (including, but not limited to, reasonable attorneys' fees and expenses) arising directly or indirectly, in whole or in part, out of (i) the presence on or under the Property of any Hazardous Materials (as defined in Paragraph 1.10), or any releases or discharges of any Hazardous Materials on, under or from the Property, or (ii) any activity carried on or undertaken on or off the Property, whether prior to or during the period during which any indebtedness under the Note is outstanding and whether by Trustor or any predecessor in title or any employees, agents, contractors or subcontractors of Trustor or any predecessor in title, or any third persons at any time occupying or present on the Property, in connection with the handling, treatment, removal, storage, decontamination, clean-up, transport or disposal of any Hazardous Materials (as defined in Paragraph 1.10) at any time located or present on or under the Property. The foregoing indemnity shall further apply to any residual contamination on or under the Property, or affecting any natural resources, and to any contamination of any property or natural resources arising in connection with the generation, use, handling, storage, transport or disposal of any such Hazardous Materials, and irrespective of whether any of such activities were or will be undertaken in accordance with applicable laws, regulations, codes and ordinances.

1.12 Environmental Provisions. Trustor hereby acknowledges and agrees that the provisions of Paragraphs 1.10 and 1.11 hereof are intended to be "environmental provisions" (as defined in Section 736 of the California Code of Civil Procedure), and that Beneficiary is intended to have all of the rights of a secured lender under Section 736 of the California Code of Civil Procedure in respect of such "environmental provisions." Trustor further acknowledges and agrees that the rights afforded to Beneficiary under Section 736 of the California Code of Civil Procedure are in addition to all rights, powers and remedies otherwise available to Beneficiary under any of the Trust Documents or at law or in equity.

1.13 Financial Statements. Trustor shall deliver to Beneficiary a copy of Trustor's federal and state tax returns, prepared by a certified public accountant, concurrently with Trustor's filing of said returns.

1.14 Covenant to Assign Future Leases. Until all of the Indebtedness secured by the Deed of Trust shall have been paid in full, Trustor covenants and agrees that it will immediately transfer and assign to Beneficiary any and all other and future leases on all or any portion of the Property. Assignor further covenants and agrees to make, execute and deliver to Assignee on demand, and at any time or times, any and all written assignments and other instruments sufficient for this purpose or that Beneficiary may deem advisable for carrying out the true intent of this covenant.

ARTICLE II ASSIGNMENT OF RENTS, ISSUES AND PROFITS

9

2.00 Assignments of Rents. Trustor hereby assigns to Beneficiary the rents, issues, profits, royalties, and payment payable under any lease of the Property, or portion thereof including any oil, gas or mineral lease, or any installments of money payable pursuant to any agreement or any sale of said property or any part thereof, reserving unto Trustor the rights prior to default by Trustor in payment of the Indebtedness secured hereby or in the performance of any agreement hereunder, to collect and retain such rents, issues, profits, royalties, payments and installments of money as they may become due and payable. Upon any such default, Beneficiary, without regard to the adequacy of any security for the Indebtedness hereby secured, shall be entitled to (1) collect such rents, issues, profits, royalties, payments and installments of money and apply the same as more particularly set forth in this Paragraph, all without taking possession of the Property, or (2) enter and take possession of the Property or any part thereof, in person, by agent, or by a receiver to be appointed by the court and to sue for or otherwise collect such rents, issues, profits, royalties, payments and installments of money. Beneficiary may apply any such rents, issues, profits, royalties, payments and installments of money so collected, less costs and expenses of operation and collection, including reasonable attorneys' fees, upon any indebtedness secured hereby, in such order as Beneficiary may determine, and, if such costs and expenses and attorneys' fees shall exceed the amount collected, the excess shall be immediately due and payable. The collection of such rents, issues, profits, royalties, payments and installments of money and the application thereof as aforesaid shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice, except to the extent any such default fully is cured. Failure or discontinuance of Beneficiary at any time, or from time to time, to collect any such moneys shall not impair in any manner the subsequent enforcement by Beneficiary of the right, power and authority herein conferred on Beneficiary. Nothing contained herein, including the exercise of any right, power or authority herein granted to Beneficiary, shall be, or be construed to be, an affirmation by Beneficiary of any tenancy, lease or option, or an assumption of liability under, or the subordination of the lien or charge of this Deed of Trust to any such tenancy, lease or option. Trustor hereby agrees that, in the event Beneficiary exercises its rights as in this Paragraph provided, Trustor waives any right to compensation for the use of Trustor's furniture, furnishings or equipment in the Property for the period such assignment of rents or receivership is in effect, it being understood that the rents, issues, profits, royalties, payments and installments of money derived from the use of any such items shall be applied to Trustor's obligation hereunder as above provided. In the event that Trustor concurrently herewith or hereafter executes any separate assignment of rents or of leases to Beneficiary, then to the extent of any inconsistency between the provisions hereof and any such assignment, the provisions of such assignment shall control.

2.01 Performance of Leases. Trustor promises and agrees to keep, perform and observe all of the lessor's covenants, agreements and obligations, under the terms of all leases now or hereafter executed relating to all or any portion of the Property, to require that lessees under said leases keep, perform, and observe all of the covenants, agreements and obligations thereunder on their part to be kept, performed and observed; not to alter, amend or modify such leases or any of them without the prior written consent of Beneficiary.

ARTICLE III SECURITY AGREEMENT AND FIXTURE FILING

3.00 Creation of Security Interest. This Deed of Trust is deemed a Security Agreement as defined in the California Commercial Code, the Trustor being the Debtor and the Beneficiary being the Secured Party, and the remedies for any violation of the covenants, terms and conditions of the agreements herein contained shall be as prescribed (i) herein, or (ii) by general law, or (iii) as to such part of the security which is also reflected in the financing statement which will be filed to perfect the security interest created herein, by the specific statutory consequences now, or hereafter enacted and specified in the California Commercial Code, all at Beneficiary's sole election. Trustor and Beneficiary agree that the filing of a financing statement in the records normally having to do with personal property shall never be construed as in anywise derogating from or impairing this declaration and the hereby-stated intention of the parties hereto that everything used in connection with the operation or occupancy of the Property is and, at all times and for all purposes and in all proceedings, both legal and equitable, shall be regarded as real property, irrespective of whether (1) any such item is physically attached to the buildings and improvements, (2) serial numbers are used for the better identification of certain equipment items capable of being filed by the Beneficiary, or (3) any such item is referred to or reflected in any such financing statement so filed at any time. Such mention in the financing statement is declared to be for the protection of the Beneficiary in the event any court or judge shall at any time hold that notice of Beneficiary's priority of interest must be filed in the California Commercial Code records to be effective against a particular class of persons, including, but not limited to, the federal government and any subdivision or entity of the federal government. Trustor covenants and agrees to reimburse Beneficiary for any costs incurred in filing such financing statement and any continuation statements.

3.01 Fixture Filing. Portions of the Property are goods which are or are to become fixtures relating to the land, buildings and improvements, and Trustor covenants and agrees that the recording of this Deed of Trust in the real estate records of the County where the land is located shall also operate from the time of recording as a Fixture Filing in accordance with Section 9313 of the California Uniform Commercial Code.

ARTICLE IV DEFAULTS AND REMEDIES

4.00 Events of Default. Any of the following events shall be deemed an Event of Default hereunder, upon the expiration of any applicable grace period:

(a) Default shall be made in the payment of any installment of principal or interest or any other sum secured hereby when due, whether at maturity or by acceleration or as part of any prepayment or otherwise; or

(b) If the Trustor shall become insolvent or admit in writing its inability to pay its debts as they mature; or make any assignment for the benefit of creditors; or apply for or consent to the appointment of a receiver or trustee for it or for a substantial part of its property or business; or

(c) If any order, judgment or decree shall be entered against Trustor decreeing its dissolution or diversion; or

(d) If bankruptcy, insolvency, reorganization or liquidation proceedings or other proceedings for relief under any bankruptcy law or any law for the relief of debtors shall be instituted against Trustor; or

(e) A writ of execution or attachment or any similar process shall be issued or levied against all or any part of or interest in the Property, or any judgment involving monetary damages shall be entered against Trustor which shall become a lien on the Property or any portion thereof or interest therein; or

(f) There has occurred a breach of or default under any term, covenant, agreement, condition, provision, representation or warranty contained in the Note or the Note, or any loan application or other agreement related thereto or any other now or hereafter existing agreement between Trustor or any affiliate of Trustor and Beneficiary.

4.01 Acceleration upon Default, Additional Remedies. In the event of any such Event of Default, Beneficiary may declare, by notice given to Trustor, all Indebtedness secured hereby to be due and payable without any further presentment, demand, protest or notice of any kind. Thereafter Beneficiary may:

(a) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court and without regard to the adequacy of any security for the Indebtedness and obligations hereby secured, enter upon and take possession of the Property hereby granted, or any part thereof, in its own name or in the name of the Trustee, and do any acts which it deems necessary or desirable to preserve the rentability or increase the income of such property or protect the security hereof and with or without taking possession of the Property sue for or otherwise collect the rents, issues and profits thereof, including those past due and unpaid, and apply the rents, issues and profits collected, less costs and expenses of operation and collection including reasonable attorneys' fees and accountants' fees, upon any indebtedness secured hereby, all in such order as Beneficiary may determine. The entering upon and taking possession of said property, the collection of such rents, issues and profits, or the application thereof as aforesaid shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice; and notwithstanding Beneficiary's or Trustee's continuance in possession of the Property or the collection, receipt and application of rents, issues or profits, Trustee or Beneficiary shall be entitled to exercise every right provided for in this instrument or by law upon the occurrence of any default including the right to exercise the power of sale;

(b) Commence an action to foreclose this Deed of Trust as a mortgage, appoint a receiver, or specifically enforce any of the covenants hereof;

(c) Deliver to Trustee a written declaration of default and demand for sale, and a written notice of default and election to cause Trustor's interest in the Property to be sold, which notice Trustee or Beneficiary shall cause to be duly filed for record in the Official Records of the County in which the Property is located.

12

4.02 Foreclosure by Power of Sale. Should Beneficiary elect to foreclose by exercise of the power of sale herein contained, Beneficiary shall notify Trustee and shall deposit with Trustee this Deed of Trust and the Note, the Note and such receipts with evidence of expenditures made and secured hereby as Trustee may require. Trustee shall then have the following duties and powers:

(a) Upon receipt of such notice from Beneficiary, Trustee shall cause to be recorded, published and delivered to Trustor such Notice of Default and Election to Sell as then required by law and by this Deed of Trust and after lapse of such time as may then be required by law and after recordation of such notice of default, Trustee, without demand on Trustor, shall, after notice of sale having been given as required by law, sell the Property at the time and place of sale fixed by it in said notice of sale, either as a whole or in separate parcels or items and in such order as Trustee may determine, at public auction to the highest bidder for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to such purchaser its deed conveying the Property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Trustor, Trustee or Beneficiary, may purchase at such sale.

(b) After deducting all costs, fees and expenses of Trustee and of this trust, including costs of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of all sums due under the Note, all other sums then secured hereby, and the remainder, if any, to the person or persons legally entitled thereto.

(c) Trustee may postpone the sale of all or any portion of the Property by public announcement at the time and place first fixed for sale, and from time to time thereafter may postpone such sale by public announcement at the time and place fixed by the preceding postponement, and without further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give new notice of sale.

4.03 Appointment of Receiver. If any Event of Default described in Paragraph 4.00 of this Deed of Trust shall have occurred and be continuing, Beneficiary, as a matter of right but with notice as provided herein to Trustor, but without notice to anyone claiming under Trustor and without regard to the then value of the Property or the interest of Trustor therein, shall have the right to apply to any court having jurisdiction to appoint a receiver or receivers of the Property. Any such receiver or receivers shall have all the usual powers and duties of Beneficiary in case of entry as provided in Paragraph 4.01(a) and shall continue as such and exercise such powers until the date of confirmation of sale of the Property unless such receivership is sooner terminated.

4.04 Remedies Not Exclusive. No remedy herein conferred upon or reserved to Trustee or Beneficiary is intended to be exclusive of any other remedy herein, in the Trust Documents, or by law provided or permitted, but each shall be distinct and cumulative and shall be in addition to every other remedy given hereunder, under the Trust Documents, or now or hereafter existing at law or in equity or by statute. Every power or remedy given by this Deed of Trust or by the Trust Documents to Trustee or Beneficiary or to which either of them may be otherwise entitled,

may be exercised, concurrently or independently, from time to time and as often as may be deemed expedient by Trustee or Beneficiary and either of them may pursue inconsistent remedies.

4.05 Partial or Late Payment. The acceptance by Beneficiary of any sum after the same is due shall not constitute a waiver of the right either to require prompt payment, when due, of all other sums secured hereby or to declare a default as herein provided and in either event to assess a late charge or penalty. The acceptance by Beneficiary of any sum in an amount less than the sum then due shall be deemed an acceptance on account only and upon the condition that it shall not constitute a waiver of the obligation of Trustor to pay the entire sum then due, and Trustor's failure to pay said entire sum then due shall be and continue to be a default notwithstanding such acceptance of such amount on account as aforesaid, and Beneficiary or Trustee shall be at all times thereafter and until the entire sum then due shall have been paid, and notwithstanding the acceptance by Beneficiary thereafter of further sums on account, or otherwise, entitled to exercise all rights in this Deed of Trust or the other Trust Documents confirmed upon them or either of them upon the occurrence of a default.

4.06 Failure or Indulgence Not Waiver. No failure or delay on the part of Beneficiary in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege.

ARTICLE V MISCELLANEOUS

5.00 Governing Law. This Deed of Trust shall be governed by the laws of the State of California. In the event that any provision or clause of this Deed of Trust conflicts with applicable laws, such conflicts shall not affect other provisions of this Deed of Trust which can be given effect without the conflicting provision, and to this end the provisions of this Deed of Trust are declared to be severable. This instrument cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing by the party against whom enforcement of any waiver, change, discharge or termination is sought.

5.01 Statements by Trustor. Trustor, upon fifteen (15) days' written request shall furnish a duly acknowledged written statement setting forth the amount of the debt secured by this Deed of Trust and stating either that there are no known offsets or defenses existing against the debt, or if such known offsets or defenses are alleged to exist, the nature thereof.

5.02 Repayment. In the event that Trustor fully satisfies its obligations under the Note, in lawful money of the United States of America, and pays all moneys herein agreed to be paid by Trustor, and the interest thereon, and also the reasonable expenses of this trust, as herein specified, then Trustee at the request and expense of Trustor, shall reconvey to Trustor, Trustor's successors or assigns, all the estate in the Property granted to Trustee by this instrument.

5.03 Change in Taxation Method. In the event of the passage after the date of this Deed of Trust of any law of the State of California, deducting from the value of land, for the purpose

of taxation, any lien thereon, or changing in any way the laws now in force for the taxation of deeds of trust or debts secured by deeds of trust for state or local purposes or the manner of the collection of such taxes so as to cause the assessment of a tax on Beneficiary or a lien or charge on this Deed of Trust, the entire amount due under said Note, at the option of said Beneficiary, without demand or notice, forthwith shall become due and payable; provided, however, that such option shall be ineffective if Trustor is permitted by law to pay the whole of such tax, in addition to all other payments required hereunder and, if prior to such specified date, Trustor does pay such tax and agrees to pay any such tax when hereafter levied or assessed against the Property, and such agreement shall constitute a modification of this Deed of Trust.

5.04 Substitution of Trustee. Beneficiary, from time to time, may substitute another Trustee in place of the Trustee named herein, to execute the trusts hereby created; and upon such appointment, and without conveyance to the successor trustee, the successor trustee shall be vested with all the title, interest, powers, duties and trusts in the Property hereby vested in or conferred upon Trustee herein named. Each such appointment and substitution shall be made by written instrument executed by the Beneficiary containing reference to this Deed of Trust sufficient to identify it, which, when recorded in the office of the County Recorder of the county or counties in which the Property is situated, shall be conclusive proof of proper appointment of the successor trustee. The recital or statements in any instrument executed by Trustee, in pursuance of any of said trusts of the due authorization of any agent of the Trustee executing the same, shall for all purposes be conclusive proof of such authorization.

5.05 Legal Proceedings by Trustee. Trustee at any time, at Trustee's option, may commence and maintain suit in any court of competent jurisdiction and obtain the aid and direction of said court in the execution by it of the trusts or any of them, herein expressed or contained, and, in such suit, may obtain the orders or decrees, interlocutory or final of said court directing the execution of said trusts, and confirming and approving Trustee's acts, or any of them, or any sales or conveyance made by Trustee, and adjudging the validity thereof, and directing that the purchasers of the Property sold and conveyed be let into immediate possession thereof, and providing for orders of court or other process requiring the Sheriffs of the counties in which the Property is situated to place and maintain said purchasers in quiet and peaceable possession of the Property so purchased by them, and the whole thereof.

5.06 Reconveyance by Trustee. Trustee, at any time, upon request of Beneficiary, may reconvey to Trustor or Trustor's successors or assigns, any portion of the Property without affecting the personal liability of any person for the payment of any of the Indebtedness, or the lien of this Deed of Trust upon the remainder of the Property not reconveyed.

5.07 No Estoppel. Any failure of Trustee or Beneficiary to exercise any right or option by this Deed of Trust given or preserved to Trustee or Beneficiary shall not stop Trustee or Beneficiary from exercising any such right or option upon any subsequent default of Trustor.

5.08 Further Assurances. Trustor, forthwith upon request, at any and all times hereafter, at the expense of Trustor, will cause to be made, executed, acknowledged and delivered to Trustee, any and every deed or assurance in law which Trustee or counsel of Trustee shall advise

or require for the more sure, effectual and satisfactory granting and confirming of the Property unto Trustee.

5.9 Non-Liability of Trustee. Trustee shall not be liable or responsible with respect to its acts or omissions hereunder, except for Trustee's own gross negligence or willful default, or be liable or responsible for any acts or omissions of any agent, attorneys or employee by it employed hereunder, if selected with reasonable care.

5.10 Release and Exchange of Security. In the event that any change or changes occur in the title to all or any part of the Property, Beneficiary, from time to time, without notice to or consent of Trustor and without prejudice to any rights which Beneficiary may have against Trustor, may (a) take, exchange, or release any security for any of the obligations now or hereafter secured hereby; or (b) extend the time for payment of the said obligations.

5.11 Successors and Assigns. This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their successors and assigns.

5.12 Construction. This Deed of Trust shall be construed so that, wherever applicable and with reference to any of the parties hereto, the use of the singular number shall include the plural number, the use of the plural number shall include the singular number, the use of one gender shall include the neuter, masculine and feminine gender.

5.13 Notices. Trustor requests that a copy of any notice of default and of any notice of sale hereunder shall be mailed to Trustor at the address set forth above which is Trustor's address.

IN WITNESS WHEREOF, Trustor has executed this instrument the day and year first above written.

payment of such additional sums with interest thereon as may be hereafter borrowed from Beneficiary, its successors or assigns by Trustor or the then record owner or owners of the Trust Estate when evidenced by another promissory note or notes or guaranty instrument(s), which are by the terms thereof secured by this Deed of Trust.

3. This Modification may be executed in one or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same agreement.

4. Except as expressly amended by this Modification, the terms and provisions of the Deed of Trust are unchanged and hereby ratified and affirmed.

2.1 Timing. Advances of Loan proceeds under this Note will be disbursed as follows:

a. Lender shall retain \$800,000.00 as prepaid interest, calculated at the Note Rate on the entire Loan Amount.

b. Lender has already advanced \$17,499,900.00 under a Promissory Note dated May 22, 2018 and \$2,188,235.00 under a Promissory Note dated August 9, 2017 as amended previously executed by Borrower in favor of Lender (together, the "**Prior Notes**").

c. Lender shall advance an amount equal to \$4,500,100.00 of the Loan Amount, to be disbursed in connection with the closing of the Loan contemplated under this Note upon receipt of confirmation of recording of the Deeds of Trust.

d. So long as there is no uncured breach by Borrower of any of the covenants or obligations of Borrower under any of the documents executed by Borrower in connection with the Loan (collectively, "**Loan Documents**"), Lender shall advance up to the remaining available Loan Amount, in the amount of \$5,200,000.00, to Borrower within five (5) business days after Lender's receipt of a written request from Borrower.

2.2. **Title Endorsements.** As a condition to each advance, at Lender's sole and absolute discretion Lender may require Borrower to obtain, in connection with any or all requested disbursements, at Borrower's sole cost and expense, title endorsements satisfactory to Lender to protect Lender against mechanic's liens, to be attached to and be a part of Lender's title policies.

2.3. **Insurance.** Borrower shall furnish to Lender evidence of builders risk insurance for the Property (as defined below) in amounts and with an insurance company satisfactory to Lender and with a standard mortgagee's endorsement naming Lender as first mortgagee.

2.4. **Inspection.** Lender and its agents shall, at all times until the Note is fully repaid, have the right of entry and free access to the Property and the right to inspect all work done, labor performed and materials furnished in and about the Property and to inspect all books, subcontracts and records of Borrower concerning the Property. It is expressly understood and agreed that Lender is not under any duty to supervise or to inspect the work or construction or examine any books and records, and that any such inspection or examination is for the sole purpose of protecting the security of Lender and preserving Lender's rights hereunder. Failure to inspect the work or any part thereof shall not constitute a waiver of any rights of Lender; and inspection not followed by notice of default shall not constitute a waiver of any default then existing. In no event shall any inspection by Lender constitute a representation that there has been or will be compliance with the plans and specifications or that the construction is free from defective materials or workmanship.

2.5. **Exculpatory Provisions.** Borrower acknowledges, understands and agrees as follows:

2.5.1 Lender neither undertakes nor assumes any responsibility or duty to Borrower to select, review, inspect, supervise, pass judgment upon or inform Borrower of the quality, adequacy or suitability of the following: (a) the plans and specifications or amendments, alterations and additions thereto; (b) architects, contractors, subcontractors, and materialmen employed or utilized in the construction, or workmanship of or the materials used by any of them; or (c) the progress or course of construction and its conformance or nonconformance with the plans and specifications or amendments, alterations and changes thereto.

2.5.2 Lender owes no duty of care to protect Borrower against negligent, faulty, inadequate or defective building or construction.

2.5.3 The consent or approval by Lender to or of any act by Borrower requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act.

2.5.4 By accepting or approving anything required to be observed, performed or fulfilled, or to be given to Lender pursuant hereto or pursuant to the loan documents, Lender shall not be deemed to have warranted or represented the sufficiency, legality, effectiveness or legal effect of the same, or of any term, provision or condition thereof, and such acceptance or approval thereof shall not be or constitute any warranty or representation to anyone with respect thereto by Lender.

2.5.5 Lender shall in no way be liable for any acts or omissions of the Borrower, agent, contractor or any person furnishing labor and/or materials used in relation to the Property.

2.6. Protection Against Liens. Borrower agrees to fully pay and discharge all claims for labor done, material and services furnished in connection with the Property, to diligently file or procure the filing of a valid notice of completion upon completion of construction, to diligently file or procure the filing of a notice of cessation upon the event of a cessation of labor on the work of improvement for a continuous period of thirty (30) days or more, and to take all other reasonable steps to forestall the assertion of claims of lien against the Property or any part thereof and/or claims against Lender. Borrower irrevocably appoints, designates and authorizes Lender as its agent (said agency being coupled with an interest) with the authority, but without any obligation, to file for record any notice of completion, cessation of labor, or any other notice that Lender deems necessary or desirable to protect its interests under the Note or the Loan Documents. Nothing herein contained shall require Borrower to pay any claims for labor, materials, or services which Borrower in good faith disputes and which Borrower, at its own expense, is currently and diligently contesting; provided that Borrower shall, within ten (10) days after filing of any claim of lien, record in the Office of the County Recorder where the Property is located, obtain a surety bond sufficient to release said claim of lien or post such other security or make such other arrangements as Lender may approve in writing.

2.7. Books, Records and Plans. Borrower shall maintain full and complete books of account and other records concerning the Property, and shall furnish to Lender, at any time and from time to time, such financial data, plans and specifications as Lender shall reasonably request relating to the Property. Borrower shall maintain at all times a full and current set of working drawings on the site of the Property and available for inspection by Lender or its representatives.

2.8. Relationship. Nothing contained herein shall be deemed or construed by the parties hereto or any third person to create a partnership or joint venture or any association between the parties other than the relationship of lender and borrower.

3. **Security.** This Note is secured by: (i) a Deed of Trust dated of even date herewith (the "**Hillcrest Deed of Trust**"), executed by Borrower, as "Trustor," in favor of Lender, as "Beneficiary," with respect to certain real property located at 1175 North Hillcrest Road, Beverly Hills, California 90210 (the "**Hillcrest Property**"), (ii) a Deed of Trust dated of even date herewith (the "**Airole Deed of Trust**"), executed by Borrower, as "Trustor," in favor of Lender, as "Beneficiary," with respect to certain real property located at 944 Airole Way, Los Angeles, California 90077 (the "**Airole Property**"), (iii) a Deed of Trust dated of even date

herewith (the "***Bellagio Deed of Trust***"), executed by 10701 Bellagio Road, LLC, as "Trustor," in favor of Lender, as "Beneficiary," with respect to certain real property located at 10701 Bellagio Road, Los Angeles, California (the "***Bellagio Property***"); (iv) a Deed of Trust dated of even date herewith (the "***Carcassonne Deed of Trust***"), executed by Carcassonne Fine Homes, LLC, as "Trustor," in favor of Lender, as "Beneficiary," with respect to certain real property located at 627 North Carcassonne Road, Los Angeles, California (the "***Carcassonne Property***"), (v) a Deed of Trust dated of even date herewith (the "***Stone Ridge Deed of Trust***"), executed by Marbella Construction, Inc., as "Trustor," in favor of Lender, as "Beneficiary," with respect to certain real property located at 3381 Stone Ridge Lane, Los Angeles, California (the "***Stone Ridge Property***") and (vi) a Deed of Trust dated of even date herewith (the "***Londonderry Deed of Trust***"), executed by 1369 Londonderry Estate, LLC, as "Trustor," in favor of Lender, as "Beneficiary," with respect to certain real property located at 1369 Londonderry Place, Los Angeles, California (the "***Londonderry Property***"). The Hillcrest Deed of Trust, the Airole Deed of Trust, the Bellagio Deed of Trust, the Carcassonne Deed of Trust, the Stone Ridge Deed of Trust and the Londonderry Deed of Trust are collectively referred to herein as the "***Deeds of Trust***". The Hillcrest Property, the Airole Property, Bellagio Property, the Carcassonne Property, the Stone Ridge Property and the Londonderry Property are collectively referred to herein as the "***Property***".

4. Application of Payments. All payments on this Note shall, at the option of the holder hereof, be applied first to the payment of accrued and unpaid interest, and after all such interest has been paid, any remainder shall be applied to reduction of the principal balance.

5. Address for Payments. All payments on this Note are to be made or given to the holder hereof whose address for this purpose is 9701 West Pico Boulevard, Suite 201A, Los Angeles, California 90035, or to such other person or at such other place as the holder hereof may from time to time direct by written notice to Borrower.

6. No Offset; Holder in Due Course. Borrower waives any right of offset it now has or may hereafter have against the holder hereof and its successors and assigns, and agrees to make the payments called for hereunder in accordance with the terms hereof. The holder hereof and all successors thereof shall have all the rights of a holder in due course as provided in the California Uniform Commercial Code and other laws of the State of California.

7. Waivers. Borrower and any endorsers, guarantors or sureties hereof severally waive presentment and demand for payment, notice of intent to accelerate maturity, protest or notice of protest or non-payment, bringing of suit and diligence in taking any action to collect any sums owing hereunder or in proceeding against any of the rights and properties securing payment hereunder; expressly agree that this Note, or any payment hereunder, may be extended from time to time; and consent to the acceptance of further security or the release of any security for this Note, all without in any way affecting the liability of Borrower and any endorsers or guarantors hereof. No extension of time for the payment of this Note, or any installment hereof, made by agreement by the holder hereof with any person now or hereafter liable for the payment of this Note, shall affect the original liability under this Note of Borrower, even if Borrower is not a party to such agreement.

8. Default Interest; Acceleration. The failure of Borrower to pay or perform as required hereunder or a default under the Deed of Trust or any other instrument securing this Note or secured by the Deed of Trust shall constitute a default hereunder. Upon the occurrence of a default hereunder, at the option of the holder hereof, all amounts then unpaid under this Note, the Deed of Trust or any other instrument securing this Note or secured by Deed of Trust shall bear interest for the period beginning with the date of occurrence of such default at a default rate equal to 10.00% above the rate stated herein, payable monthly on the first day of each and every month, and in addition such holder may, at its option, declare immediately due and owing the entire unpaid principal sum together with all interest thereon, plus any other sums owing at the time of such declaration pursuant to this Note, the Deed of Trust or any other instrument securing this Note. The failure to exercise the foregoing option shall not constitute a waiver of the right to exercise the same at any subsequent time in respect of the same event or any other event. The acceptance by the holder hereof of any payment hereunder which is less than payment in full of all amounts due and payable at the time of such payment shall not constitute a waiver of the right to exercise any of the foregoing options at that time or at any subsequent time or nullify any prior exercise of any such option without the express consent of such holder, except as and to the extent otherwise provided by law.

9. Lawful Money; Costs of Collection. All amounts payable hereunder are payable in lawful money of the United States. Borrower agrees to pay all costs of collection when incurred, including reasonable attorneys' fees and costs, whether or not a suit or action is instituted to enforce this Note, including but not limited to court costs, appraisal fees, the cost of searching records, obtaining title reports and title insurance and trustee's fees, to the extent permitted by applicable law.

10. Due on Sale and Encumbrance. Borrower acknowledges and agrees that the creditworthiness and expertise of Borrower or Trustor in owning, developing and operating the Property is the basis upon which holder has determined that it is protected against impairment of the security and risk of default and thereby has agreed to lend undersigned the principal sum set forth above. In order to insure the continued creditworthiness and expertise of the owner of the Property and in order to allow the holder of this Note an opportunity to review and evaluate the same, undersigned agrees, for itself and subsequent owners of the Property, that the Property shall not be sold, agreed to be sold, conveyed, transferred, assigned, disposed of, or further encumbered, whether voluntarily, involuntarily, by operation of law or otherwise, without the written consent of the holder hereof being first obtained, which consent may be withheld in holder's sole and absolute discretion. Any transaction in violation of the above restrictions shall cause the then outstanding principal balance and interest thereon and other sums secured by the Deeds of Trust, at the option of said holder, to immediately become due and payable. If Borrower is a corporation, limited liability company or trust, the sale, conveyance, transfer or disposition, whether voluntary or involuntary, of 25% or more of the issued and outstanding common stock or membership interests of Borrower or Trustor, or of the beneficial interest of such trust, or, in the event Borrower or Trustor is a limited or general partnership or a joint venture, a change of any general partner or any joint venturer, either voluntarily or involuntarily, or the sale, conveyance, transfer, disposition, or encumbrance of any such general partnership or joint venture interest shall be deemed to be a transfer of an interest in the Property for purposes of this Section. Notwithstanding anything to the contrary in this Section 10 upon the sale of the

Londonderry Property, the Bellagio Property, the Carcassonne Property or the Stone Ridge Property the amounts set forth in Section 1(b) above shall be payable.

Borrower agrees, for itself and subsequent owners of the Property, that in the event that the improvements on the Property are altered or demolished without the written consent of the holder hereof being first obtained, which consent may be withheld in holder's sole and absolute discretion then outstanding principal balance and interest thereon and other sums secured by said Deeds of Trust, at the option of said holder, shall immediately become due and payable, in whole or in part, as the holder so determines.

11. Usury Protection. The parties hereto intend to conform strictly to the applicable usury laws. In no event, regardless of any provisions contained therein or in any other document executed or delivered in connection herewith, shall the holder hereof ever be deemed to have contracted for or be entitled to receive, collect or apply as interest on this Note, any amount in excess of the maximum amount permitted by applicable law (the "**Maximum Rate**"). In no event, whether by reason of demand for payment, prepayment, acceleration of the maturity hereof or otherwise, shall the interest contracted for, charged or received by the holder hereunder or otherwise exceed the Maximum Rate. If for any circumstance whatsoever interest would otherwise be payable to the holder in excess of the maximum lawful amount, the interest payable to the holder shall be reduced automatically to the Maximum Rate and any payment received in excess of such amount shall be applied to the outstanding principal balance of the Note.

12. Governing Law; Venue; Joint and Several Liability. This Note shall be governed by and construed according to the laws of the State of California. The parties agree that, at Lender's option, in any action to enforce or interpret this Note, the courts located in Los Angeles, California shall have exclusive jurisdiction and be the exclusive venue. Nothing contained herein shall affect the rights of Lender to bring a suit, action or proceeding in any other appropriate jurisdiction. In the event Borrower is composed of more than one party, the obligations, covenants, agreements and warranties contained herein as well as the obligations arising therefrom are and shall be joint and several as to each such party.

13. Fees and Expenses. Borrower agrees to pay all costs and expenses incurred by Lender in connection with the preparation, negotiation and execution of this Note and the other Loan Documents and any and all amendments, modifications and supplements thereto, including, without limitation, the costs and fees of Lender's legal counsel, any applicable title company fees, title insurance premiums, filing fees, escrow fees, reconveyance fees, payoff demands and recording costs.

14. Commercial Purpose. Borrower agrees that no funds advanced under this Note shall be used for personal, family or household purposes, and that all funds advanced hereunder shall be used solely for business, commercial, investment or other similar purposes, particularly the development of the Property. Borrower does not occupy, and does not intend to occupy, the Hillcrest Property, the Airole Property, the Bellagio Property, the Carcassonne Property, the Stone Ridge Property and/or the Londonderry Property and no principal or owner of Borrower (including but not limited to Nile Miami) occupies or intends to occupy the Hillcrest Property, the Airole Property, the Bellagio Property, the Carcassonne Property, the Stone Ridge Property and/or the Londonderry Property.

15. Severability. If a court of competent jurisdiction determines that any term or provision of this Note is illegal, unenforceable or invalid in whole or in part for any reason, such illegal, unenforceable, or invalid provisions or part thereof shall be stricken from this Note, and such provision shall not affect the legality, enforceability, or validity of the remainder of this Note. If any provision or part thereof of this Note is stricken in accordance with the provisions of this Section, then this stricken provision shall be replaced, to the extent possible, with a legal, enforceable, and valid provision that is as similar in tenor to the stricken provision as is legally possible.

16. Limits on Senior Loan Balances. Borrower agree that at no time while any portion of the Note remains unpaid shall senior indebtedness: (i) encumbering the Hillcrest Property exceed \$28,700,000.00, (ii) encumbering the Airole Property exceed \$115,000,000.00, (iii) encumbering the Londonderry Property exceed \$29,000,000.00, (iv) encumbering the Bellagio Property exceed \$34,000,000.00, (v) encumbering the Carcassonne Property exceed \$34,000,000.00, or (vi) encumbering the Stone Ridge Property exceed \$17,100,000.00.

17. Prior Notes. The Prior Notes are hereby cancelled and superseded by this Note.

AMENDMENT OF NOTE AND DEEDS OF TRUST

This Amendment of Note and Deeds of Trust (the "**Amendment**") is entered into as of June 18, 2019, by and between Crestlloyd, LLC, a California limited liability company ("**Borrower**"), 10701 Bellagio Road, LLC, a California limited liability company, Carcassonne Fine Homes, LLC, a California limited liability company, Marbella Construction, Inc., a California corporation, 1369 Londonderry Estate, LLC, a California limited liability company and YOGI Securities Holdings, LLC, a Nevada limited liability company ("**Lender**"), with reference to the following facts:

Recitals

A. Borrower executed a Deed of Trust dated October 16, 2018 (the "**Hillcrest Deed of Trust**"), in favor of Lender, as beneficiary, which Deed of Trust was recorded on October 19, 2018, as Instrument No. 20181065783, Official Records of Los Angeles County, California ("**Official Records**").

B. Borrower executed a Deed of Trust dated October 16, 2018 (the "**Airole Deed of Trust**"), in favor of Lender, as beneficiary, which Deed of Trust was recorded on November 7, 2018, as Instrument No. 20181126580, Official Records.

C. 10701 Bellagio Road, LLC, a California limited liability company, executed a Deed of Trust dated October 16, 2018 (the "**Bellagio Deed of Trust**"), in favor of Lender, as beneficiary, which Deed of Trust was recorded on October 19, 2018, as Instrument No. 20181065788, Official Records.

D. Carcassonne Fine Homes, LLC, a California limited liability company, executed a Deed of Trust dated October 16, 2018 (the "**Carcassonne Deed of Trust**"), in favor of Lender, as

beneficiary, which Deed of Trust was recorded on October 19, 2018, as Instrument No. 20181065789, Official Records.

E. Marbella Construction, Inc., a California corporation, executed a Deed of Trust dated October 16, 2018 (the “**Stone Ridge Deed of Trust**”), in favor of Lender, as beneficiary, which Deed of Trust was recorded on October 19, 2018, as Instrument No. 20181065790, Official Records.

F. 1369 Londonderry Estate, LLC, a California limited liability company, executed a Deed of Trust dated October 16, 2018 (the “**Londonderry Deed of Trust**”), in favor of Lender, as beneficiary, which Deed of Trust was recorded on October 19, 2018, as Instrument No. 20181065787, Official Records. The Hillcrest Deed of Trust, Airole Deed of Trust, Bellagio Deed of Trust, Carcassonne Deed of Trust, Stone Ridge Deed of Trust and Londonderry Deed of Trust are collectively referred to hereinafter as the “**Deed of Trust**”.

G. The Deed of Trust secures a loan (the “**Loan**”) to Borrower in the original principal amount of Thirty Million One Hundred Eighty Eight Thousand Two Hundred Thirty Five Dollars (\$30,188,235.00). The Loan is evidenced by a Promissory Note (the “**Original Note**”) in the principal amount of the Loan, dated October 16, 2018, made by Borrower in favor of Lender.

H. Lender is the holder of all beneficial interest under the Loan, the Deed of Trust, the Original Note and all other instruments that evidence and/or secure the Loan.

I. Borrower and Lender wish to execute and record this Amendment to extend the term of the Original Note upon the conditions set forth herein, and to confirm that the Deed of Trust, as amended, secures the indebtedness evidenced by the Original Note, and other obligations described in the Original Note and Deed of Trust as modified by this Amendment. The Original Note, as amended by this Amendment is hereinafter referred to as the “**Note**”. The Loan, the Note, the Deed of Trust, and all other instruments that evidence and/or secure the Loan are collectively referred to herein as the “**Loan Documents**”.

NOW, THEREFORE, in consideration of the foregoing Recitals, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Definitions. Terms which are defined in the Note and Deed of Trust shall have the same meanings when used in this Amendment, unless a different definition is given or referred to herein or unless the context requires otherwise.

2. Maturity Date Extension. The maturity date of the Note is hereby extended to August 17, 2019 (the “**Maturity Date**”), at which time the outstanding principal balance of the Note and all accrued interest shall be due and payable. By agreeing to extend the Maturity Date, Lender is not committing to any future modifications, extensions, or renewals of any of the Loan Documents.

3. Interest Rate; Total Payoff Amount. The parties acknowledge and agree that Lender retained Eight Hundred Thousand Dollars (\$800,000.00) as prepaid interest pursuant to the terms of the Note, and as of the prior maturity date of June 18, 2019, the current balance of unpaid principal due and owing is Thirty Million One Hundred Eighty Eight Thousand Two Hundred Thirty Five Dollars (\$30,188,235.00). Additionally, the parties acknowledge and agree that the interest rate of the Note is being increased by this Amendment to 4.0% per annum, to begin accruing on the unpaid principal balance on June 18, 2019, until the Maturity Date. Additionally, on the date of Lender's execution of this Amendment, the parties acknowledge and agree that Lender shall fund an additional \$400,000.00 to Borrower, which shall be added as principal to the current principal balance of \$30,188,235.00, such that the total unpaid balance of principal shall be Thirty Million Five Hundred Eighty Eight Thousand Two Hundred Thirty Five Dollars (\$30,588,235.00) ("**New Principal**"), which shall be considered the New Principal as of June 18, 2019. The parties further agree that, pursuant to the interest rate established by this Amendment, on the Maturity Date the total payoff amount due under the Loan Documents shall be Thirty Million Seven Hundred Eighty Nine Thousand Three Hundred Sixty Three and 12/100 Dollars (\$30,789,363.12), including the New Principal, and Two Hundred One Thousand One Hundred Twenty Eight and 12/100 Dollars (\$201,128.12) in interest accrued at 4.0% per annum on the New Principal between June 18, 2019 and the Maturity Date. Borrower agrees upon demand to pay all costs and expenses incurred by Lender in connection with this Amendment, including but not limited to attorneys' fees and costs, title company charges and recording fees.

4. Releases, Covenants Not to Litigate, Assignments and Indemnification. As of the Date of this Amendment and in consideration for the renewal, extension and/or restructure of the Note, Borrower hereby agrees as follows:

A. Borrower: (i) fully and finally acquits, quitclaims, releases and discharges each of the Released Parties (the term "**Released Parties**" shall be defined as Lender and its respective officers, directors, shareholders, representatives, employees, agents and attorneys) of and from any and all obligations, claims, liabilities, damages, demands, debts, liens, deficiencies or cause or causes of action (including claims and causes of action for usury) to, of or for the benefit (whether directly or indirectly) of Borrower, at law or in equity, known or unknown, contingent or otherwise, whether asserted or unasserted, whether now known or hereafter discovered, whether statutory, in contract or in tort, as well as any other kind or character of action now held, owned or possessed (whether directly or indirectly) by Borrower on account of, arising out of, related to or concerning, whether directly or indirectly, proximately or remotely (a) the Note or any of the Loan Documents, or (b) this Amendment; (ii) waives any and all defenses to payment of the Note for any reason; and (iii) waives any and all defenses, counterclaims or offsets to the Loan Documents (collectively, the "**Released Claims**");

Except as hereinabove limited, it is understood and agreed by Borrower that the claims released hereunder include all claims of every nature and kind whatsoever, known or unknown, suspected or unsuspected, arising out of or related to any and all of the matters referred to in the immediately preceding paragraph, notwithstanding the provisions of Section 1542 of the California Civil Code, which Section provides as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.”

Borrower acknowledges that it may hereafter discover facts different from, or in addition to, those which it now knows or believes to be true with respect to the claims released hereunder, and agree that the foregoing release shall be and remain effective in all respects notwithstanding such different or additional facts or the discovery thereof, and waives application of the provisions of Section 1542 with respect to the claims released hereunder.

5. Continuing Security. The Deed of Trust, as modified by this Amendment, shall continue to secure the indebtedness evidenced by the Note as amended by this Amendment, and all other indebtedness and obligations secured by the Deed of Trust. Except as expressly modified by this Amendment, the Deed of Trust shall remain in full force and effect, and this Amendment shall have no effect on the priority or validity of the lien of the Deed of Trust, which shall continue to constitute a lien and charge on the property encumbered by the Deed of Trust as follows:

A. The Hillcrest Deed of Trust, as modified by this Amendment, shall continue to constitute a seventh position lien and charge on the property encumbered by the Hillcrest Deed of Trust.

B. The Airole Deed of Trust, as modified by this Amendment, shall continue to constitute a second position lien and charge on the property encumbered by the Airole Deed of Trust.

C. The Bellagio Deed of Trust, as modified by this Amendment, shall continue to constitute a fourth position lien and charge on the property encumbered by the Bellagio Deed of Trust.

D. The Carcassonne Deed of Trust, as modified by this Amendment, shall continue to constitute a fourth position lien and charge on the property encumbered by the Carcassonne Deed of Trust.

E. The Stone Ridge Deed of Trust, as modified by this Amendment, shall continue to constitute a fourth position lien and charge on the property encumbered by the Stone Ridge Deed of Trust.

F. The Londonderry Deed of Trust, as modified by this Amendment, shall continue to constitute a fifth position lien and charge on the property encumbered by the Londonderry Deed of Trust.

6. No Other Modifications. Except as modified expressly or by necessary implication hereby and by this Amendment, all of the terms and conditions of the Note and Deed of Trust shall remain unchanged and in full force and effect. To the extent the provisions of this Amendment are inconsistent with the provisions of the Note or Deed of Trust, the provisions of this Amendment shall control and supersede such inconsistent provisions in the Note and Deed of Trust.

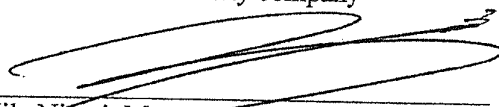

7. Successors and Assigns. All of the grants, including the grant of the power of sale, obligations, covenants, agreements, terms, provisions and conditions herein shall apply to, bind and inure to the benefit of the heirs, administrators, executors, legal representatives, successors and assigns of Borrower and the successors in trust of trustee, and the endorsees, transferees, successors and assigns of Lender.

beneficiary, which Deed of Trust was recorded on October 19, 2018, as Instrument No. 20181065789, Official Records.

E. Marbella Construction, Inc., a California corporation, executed a Deed of Trust dated October 16, 2018 (the "**Stone Ridge Deed of Trust**"), in favor of Lender, as beneficiary, which Deed of Trust was recorded on October 19, 2018, as Instrument No. 20181065790, Official Records.

F. 1369 Londonderry Estate, LLC, a California limited liability company, executed a Deed of Trust dated October 16, 2018 (the "**Londonderry Deed of Trust**"), in favor of Lender, as beneficiary, which Deed of Trust was recorded on October 19, 2018, as Instrument No. 20181065787, Official Records. The Hillcrest Deed of Trust, Airole Deed of Trust, Bellagio Deed of Trust, Carcassonne Deed of Trust, Stone Ridge Deed of Trust and Londonderry Deed of Trust are collectively referred to hereinafter as the "**Deed of Trust**".

G. The Deed of Trust secures a loan (the "**Loan**") to Borrower in the original principal amount of Thirty Million One Hundred Eighty Eight Thousand Two Hundred Thirty Five Dollars (\$30,188,235.00). The Loan is evidenced by a Promissory Note (the "**Original Note**") in the principal amount of the Loan, dated October 16, 2018, made by Borrower in favor of Lender.

H. Borrower and Lender executed an Amendment of Note and Deed of Trust dated June 18, 2019 (the "**First Amendment**"), which extended the term of the Original Note upon the conditions set forth therein, and established a new principal balance of Thirty Million Five Hundred Eighty Eight Thousand Two Hundred Thirty Five Dollars (\$30,588,235.00).

I. Lender is the holder of all beneficial interest under the Loan, the Deed of Trust, the Original Note and all other instruments that evidence and/or secure the Loan.

J. Borrower and Lender wish to execute and record this Second Amendment to further extend the term of the Original Note upon the conditions set forth herein, and to confirm that the Deed of Trust, as amended, secures the indebtedness evidenced by the Original Note, and other obligations described in the Original Note and Deed of Trust as modified by the First Amendment and this Second Amendment. The Original Note, as amended by the First Amendment and this Second Amendment is hereinafter referred to as the "**Note**". The Loan, the Note, the Deed of Trust, and all other instruments that evidence and/or secure the Loan are collectively referred to herein as the "**Loan Documents**".

NOW, THEREFORE, in consideration of the foregoing Recitals, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Definitions. Terms which are defined in the Note and Deed of Trust shall have the same meanings when used in this Second Amendment, unless a different definition is given or referred to herein or unless the context requires otherwise.

3781470.1

-2-

2. Maturity Date Extension. The maturity date of the Note is hereby extended to October 16, 2019 (the "**Maturity Date**"), at which time the outstanding principal balance of the Note and all accrued interest shall be due and payable. By agreeing to extend the Maturity Date, Lender is not committing to any future modifications, extensions, or renewals of any of the Loan Documents.

3. Interest Rate; Total Payoff Amount. The parties acknowledge and agree that Lender retained Eight Hundred Thousand Dollars (\$800,000.00) as prepaid interest pursuant to the terms of the Original Note. The parties acknowledge and agree that pursuant to the terms of the First Amendment, Lender funded an additional \$400,000.00 to Borrower, adding such amount to the unpaid principal balance, and increased the interest rate of the Original Note to 4.0% per annum. The parties acknowledge and agree that as of the prior maturity date of August 17, 2019, the current balance of unpaid principal and interest due and owing is Thirty Million Seven Hundred Eighty Nine Thousand Three Hundred Sixty Three and 12/100 Dollars (\$30,789,363.12), which includes (i) the principal amount established by the First Amendment of \$30,588,235.00 ("**First Amendment Principal**"), and (ii) interest of \$201,128.12 accrued at a rate of 4.0% per annum between June 18, 2019, and August 17, 2019. The parties further acknowledge and agree that on August 17, 2019, the unpaid interest of \$201,128.12 shall be added as principal to the First Amendment Principal balance of \$30,588,235.00. Additionally, on the date of Lender's execution of this Amendment, the parties acknowledge and agree that Lender shall fund an additional \$739,000.00 to Borrower, which shall also be added as principal to the First Amendment Principal balance of \$30,588,235.00. Accordingly, the total updated unpaid principal balance shall include (i) the First Amendment Principal balance of \$30,588,235.00, (ii) the unpaid interest of \$201,128.12, and (iii) Lender's additional funding of \$739,000.00 to Borrower, for a total updated principal balance of Thirty One Million Five Hundred Twenty Eight Thousand Three Hundred Sixty Three and 12/100 Dollars (\$31,528,363.12) ("**New Principal Balance**"), which shall be considered the New Principal Balance as of August 17, 2019. The parties further acknowledge and agree that pursuant to the interest rate established by the First Amendment and maintained in this Second Amendment, on the Maturity Date the total payoff amount due under the Loan Documents shall be Thirty One Million Seven Hundred Thirty Five Thousand Six Hundred Seventy Two and 72/100 Dollars (\$31,735,672.72), including the New Principal Balance, and Two Hundred Seven Thousand Three Hundred Nine and 60/100 Dollars (\$207,309.60) in interest accrued at 4.0% per annum on the New Principal Balance between August 17, 2019 and the Maturity Date. Borrower agrees upon demand to pay all costs and expenses incurred by Lender in connection with this Second Amendment, including but not limited to attorneys' fees and costs, title company charges and recording fees. Lender may, at its sole option, pay for such attorneys' fees and costs, title company charges and recording fees out of the proceeds of the additional funding of \$739,000.00.

4. Releases, Covenants Not to Litigate, Assignments and Indemnification. As of the Date of this Amendment and in consideration for the renewal, extension and/or restructure of the Note, Borrower hereby agrees as follows:

A. Borrower: (i) fully and finally acquits, quitclaims, releases and discharges each of the Released Parties (the term "**Released Parties**" shall be defined as Lender and its respective officers, directors, shareholders, representatives, employees, agents and attorneys)

of and from any and all obligations, claims, liabilities, damages, demands, debts, liens, deficiencies or cause or causes of action (including claims and causes of action for usury) to, of or for the benefit (whether directly or indirectly) of Borrower, at law or in equity, known or unknown, contingent or otherwise, whether asserted or unasserted, whether now known or hereafter discovered, whether statutory, in contract or in tort, as well as any other kind or character of action now held, owned or possessed (whether directly or indirectly) by Borrower on account of, arising out of, related to or concerning, whether directly or indirectly, proximately or remotely (a) the Note or any of the Loan Documents, or (b) this Second Amendment; (ii) waives any and all defenses to payment of the Note for any reason; and (iii) waives any and all defenses, counterclaims or offsets to the Loan Documents (collectively, the “Released Claims”);

Except as hereinabove limited, it is understood and agreed by Borrower that the claims released hereunder include all claims of every nature and kind whatsoever, known or unknown, suspected or unsuspected, arising out of or related to any and all of the matters referred to in the immediately preceding paragraph, notwithstanding the provisions of Section 1542 of the California Civil Code, which Section provides as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.”

Borrower acknowledges that it may hereafter discover facts different from, or in addition to, those which it now knows or believes to be true with respect to the claims released hereunder, and agree that the foregoing release shall be and remain effective in all respects notwithstanding such different or additional facts or the discovery thereof, and waives application of the provisions of Section 1542 with respect to the claims released hereunder.

5. Continuing Security. The Deed of Trust, as modified by the First Amendment and this Second Amendment, shall continue to secure the indebtedness evidenced by the Note as amended by the First Amendment and this Second Amendment, and all other indebtedness and obligations secured by the Deed of Trust. Except as expressly modified by the First Amendment and this Second Amendment, the Deed of Trust shall remain in full force and effect, and this Second Amendment shall have no effect on the priority or validity of the lien of the Deed of Trust, which shall continue to constitute a lien and charge on the property encumbered by the Deed of Trust as follows:

A. The Hillcrest Deed of Trust, as modified by this Amendment, shall continue to constitute a seventh position lien and charge on the property encumbered by the Hillcrest Deed of Trust.

Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof, all other sums then secured hereby, and the remainder, if any, to the person or persons legally entitled thereto.

(12) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this Deed is recorded and the name and address of the new Trustee.

1. **Due on Sale and Encumbrance.** The Note which is secured by this Deed of Trust contains the following "due on sale" and "due on encumbrance" clauses:

"Borrower acknowledges and agrees that the creditworthiness and expertise of Borrower or Trustor in owning, developing and operating the Property is the basis upon which holder has determined that it is protected against impairment of the security and risk of default and thereby has agreed to lend undersigned the principal sum set forth above. In order to insure the continued creditworthiness and expertise of the owner of the Property and in order to allow the holder of this Note an opportunity to review and evaluate the same, undersigned agrees, for itself and subsequent owners of the Property, that the Property shall not be sold, agreed to be sold, conveyed, transferred, assigned, disposed of, or further encumbered, whether voluntarily, involuntarily, by operation of law or otherwise, without the written consent of the holder hereof being first obtained, which consent may be withheld in holder's sole and absolute discretion. Any transaction in violation of the above restrictions shall cause the then outstanding principal balance and interest thereon and other sums secured by the Deeds of Trust, at the option of said holder, to immediately become due and payable. If Borrower is a corporation, limited liability company or trust, the sale, conveyance, transfer or disposition, whether voluntary or involuntary, of 25% or more of the issued and outstanding common stock or membership interests of Borrower or Trustor, or of the beneficial interest of such trust, or, in the event Borrower or Trustor is a limited or general partnership or a joint venture, a change of any general partner or any joint venturer, either voluntarily or involuntarily, or the sale, conveyance, transfer, disposition, or encumbrance of any such general partnership or joint venture interest shall be deemed to be a transfer of an interest in the Property for purposes of this Section. Notwithstanding anything to the contrary in this Section 10 upon the sale of the Londonderry Property, the Bellagio Property, the Carcassonne Property or the Stone Ridge Property the amounts set forth in Section 1(b) above shall be payable.

Borrower agrees, for itself and subsequent owners of the Property, that in the event that the improvements on the Property are altered or demolished without the written consent of the holder hereof being first obtained, which consent may be withheld in holder's sole and absolute discretion then outstanding principal balance and interest thereon and other sums secured by said Deeds of Trust, at the option of said holder, shall immediately become due and payable, in whole or in part, as the holder so determines."

2. **Insurance.**

- a. **Liability Insurance.** Trustor shall, at Trustor's sole expense, obtain and keep in force during the term of this Deed of Trust a policy of combined single limit, bodily injury and property damage insurance insuring Beneficiary and Trustor against any liability arising out of the ownership, use, occupancy or maintenance of the property upon which this Deed of Trust is

9

an encumbrance (the "**Property**") and all areas appurtenant thereto. Such insurance shall be a combined single limit policy in an amount not less than \$1,000,000 per occurrence. The limits of said insurance shall not, however, limit the liability of Trustor hereunder. Beneficiary shall be designated as an additional insured under the liability insurance required under this Deed of Trust.

b. Property Insurance. Trustor shall obtain and keep in force during the term of this Deed of Trust a policy or policies of insurance covering loss or damage to the Property, in the amount of the full replacement value thereof, as the same may exist from time to time, as determined by Beneficiary against all perils included within the classification of fire, extended coverage, vandalism, malicious mischief, and special extended perils ("all risk" as such term is used in the insurance industry). Said insurance shall provide for payment of loss thereunder to Beneficiary. A stipulated value or agreed amount endorsement deleting the coinsurance provision of the policy shall be procured with said insurance. If the Trustor shall fail to procure and maintain said insurance the Beneficiary may, but shall not be required to, procure and maintain the same, but at the expense of Trustor. If such insurance coverage has a deductible clause, the deductible amount shall not exceed \$1,000 per occurrence, and the Trustor shall be liable for such deductible amount.

c. Insurance Policies. Insurance required hereunder shall be in companies holding a "General Policyholders Rating" of at least A-, V as set forth in the most current issue of "Best's Insurance Guide." The Trustor shall deliver to the Beneficiary copies of policies of such insurance or certificates evidencing the existence and amounts of such insurance with additional insured and lender's loss payable endorsements as required by this Paragraph 2. No such policy shall be cancelable or subject to reduction of coverage or other modification except after 30 days' prior written notice to Beneficiary. Trustor shall, at least 30 days prior to the expiration of such policies, furnish Beneficiary with renewals or "binders" thereof, or Beneficiary may order such insurance and charge the cost thereof to Trustor, which amount shall be payable by Trustor upon demand. Trustor shall not do or permit to be done anything which shall invalidate the insurance policies referred to in this Paragraph 2.

3. Remedies. Beneficiary may exercise any right or remedy available under the Note or this Deed of Trust or at law or in equity. All of Beneficiary's remedies upon the occurrence of an event of default are cumulative. Beneficiary's prosecution of any one of these remedies shall not preclude Beneficiary from simultaneously or subsequently prosecuting any other remedy or remedies under this Deed of Trust or under the Note or any other Loan Documents. No act of Beneficiary shall be construed as an election to proceed under any particular provision of this Deed of Trust to the exclusion of any other provision of this Deed of Trust, or as an election of remedies to the exclusion of any other remedy that may then or thereafter be available to Beneficiary. No delay or failure by Beneficiary to exercise any right or remedy under this Deed of Trust shall be construed to be a waiver of that right or remedy or of any default by Trustor. Beneficiary may exercise any one or more of its rights and remedies at its option without regard to the adequacy of its security.

10

4. Appointment of Receiver.

a. Appointment of Receiver. In any action to foreclose this Deed of Trust, or sell all or part of the Property, or upon any event of default, Trustee or Beneficiary shall be entitled to the appointment of a receiver without notice, without regard to the solvency or insolvency of Trustor at the time of application for such receiver, and without regard to the then value of the Property or whether the same shall be then occupied as a homestead or not, and Trustee, Beneficiary hereunder or any holder of the Note may be appointed as such receiver. Such receiver shall have the power to collect any Rents during the pendency of such foreclosure suit, and also during any further times when Trustor, except for the intervention of such receiver, would be entitled to collect any Rents, and any and all other powers which may be necessary or are usual in such cases for the protection, possession, control, management and operation of the Property during the whole of said period. The court from time to time may authorize the receiver to apply the net income in its hands, after deducting reasonable compensation for the receiver and its counsel as allowed by the court, in payment (in whole or in part) of any or all of the indebtedness secured hereby, including, without limitation, the following, in such order of application as Trustee or Beneficiary may elect: (i) amounts due upon the Note secured hereby; (ii) amounts due upon any decree entered in any suit foreclosing this Deed of Trust; (iii) costs and expenses of foreclosure and litigation upon the Property; (iv) insurance premiums, repairs, taxes, special assessments, water charges and interest, penalties and costs in connection with the Property; (v) any other lien or charge upon the Property that may be or become superior to the lien of this Deed of Trust, or of any decree foreclosing the same, provided that such application is made prior to foreclosure sale; and (vi) the deficiency in case of a deficiency.

b. Reimbursement of Advances.

(i) Trustor agrees to promptly reimburse any monies which Beneficiary advances in connection with the appointment of a receiver or the receiver's operation of the Property, plus interest at the default rate set forth in the Note. Trustor's obligation to reimburse Beneficiary shall be secured by this Deed of Trust.

(ii) In the event that Beneficiary advances any monies necessary to preserve the security interest granted by this Deed of Trust arising from a default in any loan secured by the Property that is of higher priority than this Deed of Trust, Trustor agrees to pay Beneficiary a fee in the amount of \$5,000. Trustor's obligation to make such payment shall be secured by this Deed of Trust.

c. Possession and Operation of Properties. Trustor agrees that the receiver or his agents shall be entitled to enter upon and take possession of, and operate, manage and control, the Property to the same extent and in the same manner as Trustor might lawfully do.

5. Reserved.

11

6. Conflicts. This Rider shall control in the event of a conflict between the terms hereof and the Deed of Trust.

**TO THE HONORABLE DEBORAH SALTZMAN, UNITED STATES
BANKRUPTCY JUDGE:**

J & E Texture, Inc. (“J&E”), the holder of a senior priority pre-petition mechanics’ lien against the improvement and real property located at 944 Airole Way, Los Angeles, CA 90077 (the “Property” or “The One”) submits this *Objection* (the “Objection”) to the *Motion for an Order: (1) Approving the Sale of the Debtor’s Real Property Free and Clear of All Liens, Claims, Encumbrances, and Interests, with the Exception of Enumerated Exclusions; (2) Finding that the Buyer is a Good Faith Purchaser; (3) Authorizing and Approving the Payment of Certain Claims from Sale Proceeds; (4) Waiving the Fourteen-Day Stay Period Set Forth in Bankruptcy Rule 6004(h); and (5) Providing Related Relief* [Dkt. No. 142] (the “Motion”).

I. INTRODUCTION

“The One,” a Bel-Air mansion, sits on 4-acres of land and boasts of, among other luxuries, 21 bedrooms, 42 full and 7 half bathrooms, a 30-car garage, five swimming pools, a two-story waterfall, two restaurant-grade kitchens, a movie theater, and a four-lane bowling alley. (Dkt. No. 142, Declaration of Lawrence R. Perkins). There is no question that construction of “The One” was a massive undertaking that required the skills and hard work of numerous of trades, suppliers, contractors, and materialmen, like J&E. It is, however, these very trades, suppliers, contractors, and materialmen that built “The One” that the Debtor ignores in the Motion. For responding party, J&E, it installed over 6,000 sheets of drywall, the equivalent of drywalling a hotel property, and was not paid for its work or materials. On June 30, 2020, J&E recorded its verified Claim of Lien, Instrument No. 20200712043 (the “Mechanics’ Lien”), in the Los Angeles County Recorder’s Office (the “Recorder’s Office”) against “The One.” (Declaration of Francisco Javier Gonzalez (“Gonzalez Decl.”), ¶ 10, Ex. C). The J&E Mechanics’ Lien, as explained below, is a priority, secured claim pursuant to Cal. Civ. Code § 8450(a).

Construction of “The One” began as early as March 2, 2014. (Declaration of Reece Hamilton (“Hamilton Decl.”), ¶ 5). By May/June 2016, the project site was a hub of activity with all sorts of trades and contractors working to bring Nile Niami’s dream to life, by demolishing the pre-existing structure on the property, site grading, laying foundation, putting-up framing, and

1 installing a roof. (Gonzalez Decl., ¶ 6). At this time, the Debtor and Mr. Niami began meeting
2 with J&E to arrange for the purchase and installation of exterior and interior drywall for the project.
3 (*Id.*, ¶ 5). In May/June 2016, J&E went to the project site and walked the Property to measure for
4 what ultimately resulted in over 6,000 sheets of drywall being hung, an amount akin to “doing a
5 hotel.” (*Id.*, ¶ 6).

6 After negotiating a price, on July 1, 2016, the Debtor and J&E entered into a contract for
7 \$925,000, plus change orders, for J&E to install the exterior and interior drywall for “The One.”
8 (*Id.*, ¶ 7, Ex. A). J&E joined the fervor of activity at the project site and started work on July 7,
9 2016. (*Id.*, ¶ 8, Ex. B). Over the next several years, J&E performed under the massive contract
10 and hung over 6,000 sheets of drywall. (*Id.*, ¶ 9). The Debtor, however, failed to pay several of
11 J&E’s invoices. (*Id.*, ¶ 10). As a result, on June 30, 2020, J&E was forced to protect its rights. It
12 timely recorded its Mechanics’ Lien against “The One”, which holds a priority, secured position
13 pursuant to Cal. Civ. Code § 8450(a). (*Id.*, ¶ 10, Ex. C; *see also* J&E’s POC No. 13). When the
14 Debtor failed to satisfy the Mechanics’ Lien, on September 4, 2020, J&E timely initiated case
15 number 20SMCV01229 (the “Foreclosure Suit”), in the Los Angeles County, California Superior
16 Court (the “State Court”) to foreclose its Mechanics’ Lien. (*Id.*, ¶ 11). J&E was preparing to obtain
17 a default judgment in the Foreclosure Suit against the Debtor when the Debtor filed the instant
18 bankruptcy case. (*Id.*, ¶ 12).

19 To date, J&E, and at least 7 other trades and contractors who were similarly forced to protect
20 their rights, have recorded verified mechanics’ liens in the Records’ Office. None of the
21 mechanics’ liens, including the J&E Mechanics’ Lien, however, are satisfied. All of the mechanics
22 liens enjoy priority secured status pursuant to Cal. Civ. Code § 8450(a). Yet, in the Motion, the
23 Debtor ignores the hardworking people who built “The One” and their mechanics’ lien rights and
24 seeks approval of the sale of “The One” for \$126 million (the “Sale Price”) free and clear of all
25 liens and interests, including these senior priority mechanics’ liens. The Debtor also seeks an order
26 that steamrolls past J&E and the other mechanics’ lien claimants and allows for the Sale proceeds
27 to be distributed to junior priority, pre-petition creditors, namely, Hankey Capital, LLC
28 (“Hankey”).

1 Hankey's pre-petition security interest, however, was not recorded until November 6, 2018.
2 (See Motion, Ex. 1, Title Report). Under California law, mechanics' liens have "off record" priority
3 such that mechanics' liens relate back to the date that work (by any party) commenced at the project.
4 See Cal. Civ. Code § 8450(a). The Debtor knows this and even acknowledges that this is the law
5 in its Motion. (See Motion, p. 31). The Debtor, however, in a flawed interpretation of §§ 363(f)(2),
6 (4), and (5), argues that it can skip the senior priorities of the mechanics' lien claimants to pay
7 Hankey. The Debtor's position is wholly without legal or factual merit.

8 Perhaps most alarming is that the Motion and the Notice of Motion (Dkt. 150) ("Notice")
9 hide-the-ball and do not make clear to mechanics' lien claimants that their rights are about to be
10 eviscerated. There is no dispute that the Debtor's primary asset is "The One", and the sale proceeds
11 are needed to pay creditors. As the Debtor has acknowledged to the Court, the Sale Price is not
12 sufficient to satisfy all the secured creditors. Thus, if the Motion is approved, as proposed, the
13 practical effect is that the Court will be determining priority rights of secured creditors without
14 proper notice or due process, *i.e.*, an adversary proceeding, and in a manner that violates the priority
15 scheme. See, *e.g.*, *In re Lobolee*, 241 B.R. 655 (9th Cir. BAP 1999). As such, the Motion cannot
16 be approved as currently presented to the Court.

17 **II. STATEMENT OF THE FACTS**

18 1. Construction of "The One" began as early as March 2, 2014 when United
19 Excavation demolished the existing house and began site grading. (Hamilton Decl., ¶ 5).

20 2. Indeed, on April 23, 2014, the City of Los Angeles conducted the first inspection
21 for grading. (*Id.*, ¶ 6).

22 3. By May/June 2016, the project site was a hub of activity with all sorts of trades and
23 contractors working to bring Mr. Niami's dream to life, by demolishing the pre-existing structure
24 on the Property, site grading, laying foundation, putting-up framing, and installing the roof.
25 (Gonzalez Decl., ¶ 6, Ex. B).

26 4. Numerous trades, suppliers, contractors, including electrical and plumbing, were at
27 the project site working to bring Nile Niami's dream to life. (*Id.*, ¶ 6).

1 5. Around this time, the Debtor and Mr. Niami began meeting with J&E, a drywaller,
2 to arrange for the purchase and installation of exterior and interior drywall for the project. (*Id.*,
3 ¶¶ 4, 5).

4 6. In May/June 2016, J&E went to the project site and walked the Property to measure
5 for the drywall and provide a pricing proposal to the Debtor. (*Id.*, ¶ 6).

6 7. After negotiating a price, on July 1, 2016, the Debtor and J&E entered into a contract
7 for \$925,000, plus change orders, for J&E to install the exterior and interior drywall for “The One.”
8 (*Id.*, ¶ 7, Ex. A).

9 8. J&E joined the fervor of activity at the project site and started work on July 7, 2016.
10 (*Id.*, ¶ 8, Ex. B).

11 9. Over the next several years, J&E performed under its contract and hung over 6,000
12 sheets of drywall, an amount akin to “doing a hotel.” (*Id.*, ¶¶ 6, 9).

13 10. J&E was not the only contractor working on the project during this time. (*Id.*, ¶ 9).
14 There was always someone working at the Property, and sometimes 50-60 different people
15 representing different trades at the Property. (*Id.*).

16 11. The Debtor, however, failed to pay several of J&E’s invoices. (*Id.*, ¶ 10). As a
17 result, on June 30, 2020, J&E protected its rights and timely filed its Mechanics’ Lien against “The
18 One” in the Recorder’s Office. (*Id.*, Ex. C; *see also* J&E’s POC No. 13).

19 12. When the Debtor failed to satisfy J&E’s Mechanics’ Lien, J&E timely initiated the
20 Foreclosure Suit on September 4, 2020 in the State Court. (*Id.*, ¶ 11).

21 13. J&E was preparing to obtain a default judgment against the Debtor in the
22 Foreclosure Suit when the Debtor filed its instant bankruptcy case. (*Id.*, ¶ 12).

23 14. To date, J&E remains unpaid for its drywall work at “The One.” (*Id.*, ¶ 14).

24 15. Its secured claim when it filed its proof of claim no. 13 on January 7, 2022 totaled
25 \$284,086.99, inclusive of interest. Interest, however, continues to accrue at a rate of \$58.67/day.
26 (*See* J&E’s POC No. 13).

27 16. Hankey recorded its Construction Deed of Trust (the “Hankey DOT”) on
28 November 6, 2018. (*See* Motion, Ex. 1, Title Report.)

1 17. That same day, Hankey and Inferno Investment Inc. (“Inferno”) recorded a
2 subordination agreement whereby Inferno agreed to be subordinated to the Hankey debt. (*See id.*).

3 18. Inferno had also previously entered into a Memorandum of Agreement dated
4 January 1, 2016 with the Debtor whereby Inferno agreed that “[a]ll proceeds receive from a sale,
5 condemnation, financing or refinancing of the [Property] shall be distributed in the following
6 manner: First, to repay the loan(s) obtained from a bank or third parties (excluding Crestlloyd and
7 Inferno) and all other unpaid costs of construction of the [Property].” (*See* Motion, Ex. 6).

8 19. On March 7th and March 8th, 2022, J&E, by counsel, sent letters (the “J&E Letters”)
9 to the Debtor asking the Debtor to engage in discussions with J&E so that J&E could be informed
10 of the Debtor’s intentions in light of the scant, Sale Price derived from the auction sale. (Gonzalez
11 Decl., ¶¶ 15, 16, Exs. D and E).

12 **III. ARGUMENT**

13 **A. Mechanics’ Lien Priority Under California State Law.**

14 A California constitutional right, a mechanic’s lien is entitled to “off-record priority”, such
15 that the priority of the mechanic’s lien relates back to the commencement of work and not the date
16 of recordation of the lien. *See* Cal. Const. Art. XIV, § 3; Cal. Civ. Code § 8450(a); *Sax v. Clark*,
17 180 Cal. 287, 288-91, 180 P. 821 (1919); *Greenblatt v. Utley*, 240 F.2d 243, 246 (9th Cir. 1956)
18 (“[t]he lien dates from the time of the commencement of the work”); Miller & Starr, *California*
19 *Real Estate* 4th ed., §§ 32:6, 10:130 (2021) (“Miller & Starr”). Specifically, Cal. Civ. Code §
20 8450(a) provides that a mechanic’s lien –

21 ... has priority over a lien, mortgage, deed of trust, or other encumbrance on the
22 work of improvement or the real property on which the work of improvement is
23 situated, that (1) attaches after commencement of the work of improvement or (2)
24 was unrecorded at the commencement of the work of improvement and of which
the claimant had no notice.

25 Cal. Civ. Code § 8450(a) (emphasis added).

26 Further, the lien attaches and relates back to when any work is commenced on the project,
27 not when the lien claimant itself actually performed its work. *See Simons Brick Co. v. Hetzel*, 236
28 P. 357, 360 (Cal. Ct. App. 2d Dist. 1925); *Schrader Iron Works, Inc. v. Lee*, 26 Cal.App.3d 621,

631-32 (3d Dist. 1972); *Parson Brinckerhoff Quade & Douglas, Inc. v. Kern Cty. Emps. ' Ret. Ass'n*,
5 Cal.App.4th 1264, 1268-69 (5th Dist. 1992); *In re KDR Bldg. Specialties, Inc.*, 76 B.R. 778
(Bankr. S.D. Cal. 1987); *Miller & Starr*, §§ 32:6, 10:130 (“[t]he priority of a mechanic’s lien relates
back to the date work commenced for *all* claimants, no matter when the claimant’s work actually
began”). Consequently, all mechanic’s liens relate back to the date of commencement of work at
a project, regardless of when any individual claimant may have commenced work at the project.
Notably, the Debtor does not dispute the well-established law regarding a mechanic’s lien’s priority
over subsequent deeds of trust, liens, and other encumbrances. (*See* Motion, p. 31).

Work started on “The One” as early as March 2, 2014. (Hamilton Decl., ¶ 5). When J&E
entered into its contract with the Debtor on July 1, 2016 and started work on July 7, 2016, the
project site was already a hub of activity. (Gonzalez Decl., ¶¶ 6-8, Exs. A, B). Indeed, when J&E
started its work on “The One”, the previous structure had been demolished, site grading had been
completed, the foundation was already laid, the framing was up, and the roof had been installed.
(*Id.*, ¶¶ 6-8, Ex. B; *see also* Hamilton Decl., ¶¶ 5,6). In contrast, the Hankey DOT was not recorded
until November 6, 2018 – nearly 4 ½ years after work started on “The One” and 2 ½ years after
J&E commenced work on “The One”. (*See* Motion, Ex. 1, Title Report, Item No. 13).¹ As a result,
although J&E’s Mechanics’ Lien was not filed until June 30, 2020 (*id.*, ¶ 10, Ex. C), the priority of
J&E’s Mechanics’ Lien – as well as the priority of all other mechanics’ liens – relates back to at
least March 2, 2014 and is senior in priority to the Hankey DOT. *See* Cal. Civ. Code § 8450(a);
Sax, 180 Cal. at 288-91; *Greenblatt*, 240 F.2d at 246; *Simons Brick Co.*, 236 P. at 360; *Schrader*
Iron Works, Inc., 26 Cal.App.3d at 631-32; *Parson*, 5 Cal.App.4th at 1268-69; *Miller & Starr*, §§
32:6, 10:130.

¹ In pre-Motion correspondence, the Debtor side-stepped J&E’s inquiries as to the payment of its
mechanics’ lien claim by asking about Inferno’s priority interests. Inferno, however, agreed not to
be paid until “all other unpaid costs of construction of the Residence” are paid. (*See* Motion, Ex.
6). Inferno also separately agreed to be subordinated to Hankey. (*See* Motion, Ex. 1, Title Report,
Item No. 7). Thus, Inferno’s junior and subordinated interests are a red herring. *See Miller & Starr*,
§ 10:202, n. 9 (citing *Jack Collier East Co. v. E.C. Barton & Co.*, 228 Ark. 300, 307 S.W.2d
863,865-66 (1957)); *see also Santa Cruz Lumber Co. v. Bank of Am. Nat’l Tr. & Sav. Ass’n*, 160
Cal.App.3d 858 (1st Dist. 1984) (unpublished) (holding mechanic’s lien claimant who had priority
over lienholder that agreed to be subordinated to a lienholder that was junior to the mechanic’s lien
claimant).

1 **B. The Debtor Cannot Satisfy Section 363 for Approval of the Motion.**

2 A chapter 11 debtor may sell property “free and clear of any interest” only if the debtor
3 satisfies one or more of the five requirements set forth under § 363(f). *See* 11 U.S.C. § 363(f)(1)-
4 (5). Here, the Debtor only seeks approval of the Sale pursuant to §§ 363(f)(2) (consent), (4) (bona
5 fide dispute), and (5) (money satisfaction). The Debtor, however, cannot satisfy any part of section
6 363(f), and, therefore, the Motion, as presented, cannot be approved.

7 **(1) Section 363(f)(2) Requires Affirmative, Informed Consent.**

8 Under § 363(f)(2), unless a different subsection is satisfied, a sale can only be approved
9 “free and clear” of an interest with the impacted entity’s consent. 11 U.S.C. § 363(f)(2); *In re East*
10 *Airport Dev., LLC*, 443 B.R. 823, 831 (9th Cir. BAP 2011); *In re Arch Hosp., Inc.*, 530 B.R. 588,
11 591 (Bankr. W.D.N.Y. 2015). As evidenced by this Objection, J&E does not consent to the Sale
12 of “The One” free and clear of its Mechanics’ Lien.

13 Beyond the issue of J&E’s specific consent, the Debtor suggests that other interested
14 parties, in particular, the other mechanic’s lien claimants “may also consent ... or not oppose the
15 Motion.” (*See* Motion, p. 30). Silence or the failure to oppose the Motion, however, does not
16 constitute consent under § 363(f)(2). To constitute “consent”, § 363(f)(2) requires an unequivocal
17 manifestation of a lienholder’s affirmation to the sale free and clear. *In re East Airport Dev., LLC*,
18 443 B.R. at 831 (citing *In re Roberts*, 249 B.R. 152, 155 (Bankr. W.D.Mich. 2000)). In that vein,
19 consent and a failure to object or oppose a motion “are not synonymous.” *In re Arch Hosp., Inc.*,
20 530 B.R. at 591 (citing *In re Roberts*, 249 B.R. at 155) (holding that failing to object is not the
21 same as consent); *see also In re DeCelis*, 349 B.R. 465, 467-69 (Bankr. E.D.Va. 2006) (holding
22 that non-opposition is not consent).

23 Affirmative consent, and not mere silence or non-opposition, is necessary to protect the
24 due process rights of the affected lienholders and to ensure that they are consenting “to a sale free
25 of liens or interest, [and] not merely ... to the sale of assets.” *In re East Airport Dev., LLC*, 443
26 B.R. at 831 (quoting 3 Alan N. Resnick & Henry J. Sommer, *Collier on Bankruptcy* ¶ 363.06[3],
27 363-51 (16th ed. 2010)); *see also In re Lobo Lee*, 241 B.R. 655 (9th Cir. BAP 1999).

1 For example, in *Lobolee*, the Ninth Circuit Bankruptcy Appellate Panel (“BAP”) addressed
2 the need to protect lienholders’ due process rights in the context of a § 363 sale. 241 B.R. at 661.
3 The trustee sought to sell real property for less than the total amount of the liens against the
4 property. *Id.* at 657. The sale price exceeded the lien of a secured lender appearing on the title
5 report as holding a first priority position. *Id.* at 658. The lien priorities, however, were disputed
6 by certain of the lienholders. *Id.* Instead of filing an adversary proceeding under Fed. R. Bankr.
7 P. 7001 to determine the lien priorities, the trustee pushed through a sale motion that effectively
8 determined one of the lien claimant’s priorities so that they could receive the proceeds from the
9 sale. *Id.* at 658-59.

10 The Ninth Circuit BAP reversed the lower court’s rulings and explained that “notice is to
11 be taken particularly seriously when liens are being affected in bankruptcy ... [h]olders of liens
12 that may be adversely affected are entitled to unambiguous notice and an adequate opportunity
13 to reflect and to respond.” *Id.* at 662 (emphasis added). Unambiguous notice “is required in order
14 to satisfy the due process clause of the Fifth Amendment,” and such notice “must be reasonably
15 calculated, under all the circumstances, to apprise interested parties of the pendency of the action
16 and to afford them an opportunity to present their objection.” *Id.* at 660-61. The Ninth Circuit
17 BAP further noted that “it was not irrational for [the lienholder] to assume that the priorities were
18 what they were under nonbankruptcy law and would continue to be honored” through the course
19 of the sale, particularly when the sale price exceeded the lienholder’s claim. *Id.* at 661.

20 The Ninth Circuit BAP’s due process reasoning is echoed in the Bankruptcy Court’s
21 decision in *Arch Hospitality* holding that non-opposition is not consent under § 363(f)(2). In *Arch*
22 *Hospitality*, the Bankruptcy Court explained that the need for affirmative consent is imperative
23 when considering the sale of a property free and clear of a perfected interest –

24 Both creditors took the necessary steps to perfect their liens. Having perfected their
25 liens, both could understandably expect that their interest would survive any
26 subsequent transfer of title. Under these circumstances, the more reasonable
27 inference is that silence would here imply the absence of consent.
28

1 *In re Arch Hosp., Inc.*, 530 B.R. at 591. In other words, to ensure that a party is consenting to
2 having their lien rights determined, and not just to the sale of an asset, affirmative consent, and not
3 mere silence or non-opposition, is needed. *Id.*; see also *In re East Airport Dev., LLC*, 443 B.R. at
4 831 (citing *In re Roberts*, 249 B.R. at 155); *In re DeCelis*, 349 B.R. at 467-69.

5 Here, the Court is presented with facts similar to *Lobolee* and *Arch Hospitality*. The Notice
6 and Motion presented by the Debtor seeking approval of the Sale are, at best, ambiguous, if not
7 misleading, as to how approval will impact mechanics' lien claimants' rights. The Notice lists the
8 Sale Price, which exceeds the mechanics' liens filed against "The One" but fails to address the
9 impact of disbursing the sale proceeds on mechanics' lien claimants. Specifically, the Notice, and
10 the Motion, fail to explain that the Debtor essentially seeks an order fixing lien priorities in a
11 manner inconsistent with California law in that it seeks to disburse the Sale proceeds to Hankey's
12 junior, pre-petition security interest without paying the mechanics' lien claimants.

13 As in *Lobolee*, such ambiguous and misleading information in the Notice is not sufficient
14 "notice" to effectuate a result that effectively strip mechanic's lien claimants of their rights without
15 proper due process under the Fifth Amendment or the Bankruptcy Rules, *i.e.*, an adversary
16 proceeding pursuant to Fed. R. Bankr. P. 7001. Without effective "notice," there cannot be
17 informed consent, particularly informed consent in the form of silence. As such, the Debtor fails
18 to satisfy § 363(f)(2).

19 **(2) Ignoring the Superior Priority of Mechanics' Liens Does Not Equate to**
20 **a Bona Fide Dispute Under Section 363(f)(4).**

21 The Debtor asks the Court to approve the sale of "The One" free and clear of all liens,
22 including J&E's Mechanics' Lien under § 363(f)(4), asserting that J&E's Mechanics' Lien is in
23 "bona fide dispute." The Debtor's request is nonsensical. The Debtor, in one breath,
24 acknowledges that under California law, mechanics' liens have superior priority to subsequently
25 recorded deeds of trust because mechanics' liens relate back to the first date work commenced on
26 the project. (See Motion, p. 31). In the next breath, the Debtor conclusively says that because
27 J&E be so bold as to write a letter and inquire as to how proceeds from the auction sale would be
28 distributed creates a "bona fide dispute." (*Id.*). This is not the standard for determining whether

1 a “bona fide dispute” exists under § 363(f)(4). If it was, then every time any lienholder wrote a
2 letter to opposing counsel to inquire into a debtor’s plans for handling sale proceeds or otherwise
3 asserted its rights in the context of a § 363 sale, such actions would equate to a “bona fide dispute.”

4 Indeed, the J&E Letters themselves merely ask for the Debtor for information and to
5 engage in discussions with J&E so that J&E could be informed of the Debtor’s intentions in light
6 of the scant, Sale Price derived from the paltry auction sale. (See Gonzalez Decl., ¶¶ 15, 16, Exs.
7 D and E). A request for information to the Debtor does not create a “bona fide dispute” within the
8 meaning of § 363(f)(4). It should be noted that the Debtor never provided a meaningful response
9 and instead replied with glib one-sentence emails, evidencing its cavalier approach and lack of
10 care or diligence in addressing the rights of bona fide priority lienholders.

11 Indeed, under § 363(f)(4), the dispute must concern “the validity of the lien,” and “evidence
12 must be provided [by the debtor] to show factual grounds that there is an ‘objective basis’ for the
13 dispute.” See *In re Clark*, 266 B.R. 163, 171-72 (9th Cir. BAP 2001); *In re Kellogg-Taxe*, No.
14 2:12-bk-51208-RN, 2014 WL 1016045, at *6 (Bankr. C.D.Cal. Mar. 17, 2014); *In re Mitchell*, 525
15 B.R. 38, 41 (Bankr. M.D.N.C. 2014); *In re Terrace Chalet Apts., Ltd.*, 159 B.R. 821, 828-29
16 (Bankr. N.D. Ill.1993); *Matter of Stroud Wholesale, Inc.*, 47 B.R. 999, 1002 (Bankr. M.D.N.C.
17 1985). In other words, § 363(f)(4) requires “at a minimum that the [debtor] believe a dispute exists
18 [because otherwise i]t would be nonsensical for a court to allow the [debtor] to sell property
19 pursuant to section 363(f)(4) when the [debtor] believes the secured party’s interest to be valid.”
20 *In re Terrace Chalet Apts., Ltd.*, 159 B.R. at 828.

21 The Debtor presents no evidence to dispute the validity of J&E’s Mechanics’ Lien. Rather,
22 the “dispute” is that the Debtor completely ignores the rights of mechanics’ lien claimants – the
23 very people responsible for constructing “The One” – in order to pay-off Hankey. This is not a
24 dispute. See *Sec. & Exch. Comm’n v. Capital Cove Bancorp LLC*, No. SACV-15-980-JLS (JCx),
25 2015 WL 9701154, at *5 (C.D. Cal. Oct. 13, 2015) (quoting *In re Taylor*, 198 B.R. 142, 162
26 (Bankr. D.S.C. 1996)) (§ 363(f)(4) “clearly entails some sort of meritorious, existing conflict”).

27 The lack of any merit to the Debtor’s contention that there is a “bona fide dispute” with
28 J&E is evidenced by the Debtor’s own proposal to disburse the proceeds from the Sale. It is well-

1 established that if there were a “bona fide dispute”, then the appropriate course of action would be
2 for the proceeds of the sale to be escrowed pending resolution of any alleged dispute. *See In re*
3 *Kellogg-Taxe*, 2014 WL 1016045, at *6 (holding that sale proceeds should be escrowed pending
4 resolution of bona fide dispute); *Capital Cove Bancorp LLC*, 2015 WL 9701154, at *8; *In re Clark*,
5 266 B.R. at 171 (“proceeds of sale are held subject to the disputed interest and then distributed as
6 dictated by the resolution of the dispute”). The Debtor, however, does not propose to escrow the
7 Sale proceeds. Thus, the Debtor fails to satisfy § 363(f)(4).

8 **(3) Debtor Cannot Satisfy Section 363(f)(5) Under Controlling Ninth**
9 **Circuit Case Law.**

10 Under § 363(f)(5), a sale of property may be made free and clear of an interest if the entity
11 holding such interest “could be compelled, in a legal or equitable proceeding, to accept a money
12 satisfaction of such interest.” 11 U.S.C. § 363(f)(5); *In re PW, LLC*, 391 B.R. 25, 41-47 (9th BAP
13 2008); *In re Hassen Imports P’ship*, 502 B.R. 851, 858-59 (C.D. Cal. 2013); *In re Smith*, No. BR
14 13-61627, 2014 WL 738784, at *2 (Bankr. D. Or. Feb. 26, 2014). In *In re PW*, the leading Ninth
15 Circuit case interpreting § 363(f)(5), the Ninth Circuit BAP established three prongs a debtor needs
16 to satisfy to utilize § 363(f)(5): “that (1) a proceeding exists or could be brought, in which (2) the
17 nondebtor could be compelled to accept a money satisfaction of (3) its interest.” *Id.* at 41.

18 As to the first prong, the Ninth Circuit explained that it is not simply that some hypothetical
19 proceeding exists by which a hypothetical interest in property may be compelled to accept money
20 to release its lien, rather “[t]he question is [] whether there is an available type of legal or equitable
21 proceeding in which a court could compel [that specific entity] to release its lien for payment of an
22 amount that was less than full value of [that entity’s] claim.” *In re PW, LLC*, 391 B.R. at 45-46;
23 *see also In re Smith*, 2014 WL 738784, at *2.

24 Here, in presenting this prong to the Court in the Motion, the Debtor asserts without
25 addressing the priority of mechanics’ liens, that such a hypothetical proceeding exists. (*See Motion*,
26 pp. 31-33). Specifically, the Debtor argues that two such proceedings exist: (a) a foreclosure under
27 state law; and (b) cramdown under 11 U.S.C. § 1129(b)(2)(A). (*See id.*). The Debtor’s argument
28 is flawed in several respects.

1 First, the Debtor's argument ignores the question as to whether there exists a hypothetical
2 proceeding in which a senior priority mechanics' lien claimant can be compelled to accept less than
3 the full value of its senior priority mechanic's lien. *See, e.g., In re PW, LLC*, 391 B.R. at 45-46; *In*
4 *re Smith*, 2014 WL 738784, at *2. No such proceeding exists under state law. Either the senior
5 mechanics' lien claimant is paid in full, or its lien survives the foreclosure. *See MTC Fin., Inc. v.*
6 *Nationstar Mortg., LLC*, 19 Cal.App.5th 811, 8117 (1st Dist. 2018) (holding that when a junior
7 lienholder forecloses on property the senior lienholder is not entitled to surplus funds because under
8 Cal. Civ. Code § 2924k, the property is purchased subject to the senior lien); *see In re Hassen*
9 *Imports P'ship*, 502 B.R. at 861-62; *In re Smith*, 2014 WL 738784, at *2.

10 Second, the Debtor ignores the holding of *PW*, which expressly rejects the Debtor's second
11 argument – that cramdown under § 1129(b)(2)(A) qualifies as a proceeding by which an entity can
12 be compelled to accept money for less than the full value of their lien. *In re PW, LLC*, 391 B.R. at
13 46-47. The Ninth Circuit BAP explained that –

14 [U]se of the cramdown mechanism to allow a sale free and clear under § 363(f)(5)
15 uses circular reasoning – it sanctions the effect of cramdown without requiring any
16 of § 1129(b)'s substantive and procedural protections ... [i]f the proceeding
17 authorizing the satisfaction was found elsewhere in the Bankruptcy Code, then an
estate would not need § 363(f)(5) at all; it could simply use the other Code
provision.

18 In addition, this reasoning undercuts the required showing of a separate proceeding.
19 For example, it is correct that § 1129(b)(2) permits a cramdown of a lien to the
20 value of the collateral, but it does so only in the context of plan confirmation. To
isolate and separate the cramdown from the checks and balances inherent in the
plan process undermines the entire confirmation process, and courts have been
leery of using § 363(b) to gut plan confirmation or render it superfluous.

21 *Id.* at 46. Thus, the Debtor cannot rely on the existence of cramdown under § 1129(b)(2)(A) to
22 satisfy § 363(f)(5) in order to sell “The One” free and clear of mechanics' lien claimants' interests.

23 **IV. CONCLUSION**

24 WHEREFORE, J & E Texture, Inc. hereby requests that the Court (i) either: (a) deny the
25 Motion's request that the sale of the Property be free and clear of J&E's Mechanics' Lien; (b)
26 require that J&E's Mechanics' Lien be paid from the proceeds of the sale of the Property prior to
27 Hankey Capital, LLC's junior, pre-petition secured claim; or (c) require the Debtor to escrow the
28

1 sale proceeds until such time as the secured creditor priorities are determined; and (ii) grant such
2 further relief the Court deems just and proper.

Date: March 18, 2022
Time: 11:00 A.M. PST
Place: Courtroom 1639
255 E. Temple St.
Los Angeles, CA 90012
VIA ZOOMGOV ONLY

I, FRANCISCO JAVIER GONZALEZ, declare as follows:

1. I am over 18 years of age. I have personal knowledge of the facts set forth below and, if called to testify, would and could competently testify thereto.

1 2. I am the President of J & E Texture, Inc. (“J&E”).

2 3. I submit this declaration in support of J&E’s *Objection* (the “Objection”) to the
3 *Motion for an Order: (1) Approving the Sale of the Debtor’s Real Property Free and Clear of All*
4 *Liens, Claims, Encumbrances, and Interests, with the Exception of Enumerated Exclusions; (2)*
5 *Finding that the Buyer is a Good Faith Purchaser; (3) Authorizing and Approving the Payment of*
6 *Certain Claims from Sale Proceeds; (4) Waiving the Fourteen-Day Stay Period Set Forth in*
7 *Bankruptcy Rule 6004(h); and (5) Providing Related Relief* [Dkt. No. 142] (the “Motion”) filed by
8 Crestlloyd, LLC (the “Debtor”).

9 4. J&E is a drywall supplier and installation company.

10 5. In May/June 2016, the Debtor and Nile Miami began meeting with me to arrange for
11 the purchase and installation of exterior and interior drywall for the residential home being
12 constructed on the real property located at 944 Airole Way, Los Angeles, CA 90077 (the “Property”
13 or “The One”).

14 6. In May/June 2016, I went to the project site and walked the Property to measure for
15 what ultimately resulted in over 6,000 sheets of drywall being hung, an amount akin to doing a
16 hotel. When I visited the project site and walked the Property, I observed that the project site was
17 a hub of activity with numerous trades, suppliers, contractors, including electrical and plumbing
18 working to bring Nile Miami’s dream to life. I observed that the foundation had been laid, framing
19 had been put-up, and the roof had been installed.

20 7. After negotiating a price, on July 1, 2016, the Debtor and J&E entered into a contract
21 (the “Contract”) for \$925,000, plus change orders, for J&E to install the exterior and interior
22 drywall for “The One.” A true and correct copy of the Contract is attached hereto and incorporated
23 herein as **Exhibit “A”**.

24 8. On July 7, 2016, J&E joined the fervor of activity at the project site and started work.
25 Attached hereto and incorporated herein as **Exhibit “B”** are two pictures of The One’s construction
26 status that I took on July 7, 2016, the day J&E started work on The One.

27 9. Over the next several years, J&E performed under the Contract and hung over 6,000
28 sheets of drywall. During this time, J&E was not the only contractor working on the project. There

1 was always someone working at the Property, and sometimes 50-60 different people representing
2 different trades at the Property.

3 10. Despite performing under the Contract, the Debtor, however, failed to pay several
4 of J&E's invoices. As a result, on June 30, 2020, J&E protected its rights and timely recorded its
5 verified Claim of Lien, Instrument No. 20200712043 (the "Mechanics' Lien"), in the Los Angeles
6 County Recorder's Office (the "Recorder's Office") against "The One.". A true and correct copy
7 of J&E's Mechanics' Lien is attached hereto and incorporated herein as **Exhibit "C"**.

8 11. When the Debtor failed to satisfy the Mechanics' Lien, on September 4, 2020, J&E
9 timely initiated case number 20SMCV01229 (the "Foreclosure Suit"), in the Los Angeles County,
10 California Superior Court (the "State Court") to foreclose its Mechanics' Lien.

11 12. J&E was preparing to obtain a default judgment against the Debtor in the
12 Foreclosure Suit when the Debtor filed its instant bankruptcy case.

13 13. On January 7, 2022, J&E filed its proof of claim no. 13 in the Debtor's bankruptcy
14 case asserting among other things, a secured claim totaling \$284,086.99, inclusive of interest.
15 Interest, however, continues to accrue at a rate of \$58.67/day. J&E also asserted an unsecured
16 claim under its Contract for attorneys' fees.

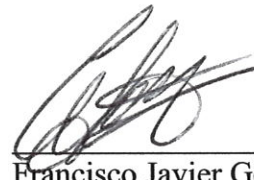

17 14. To date, J&E remains unpaid for its drywall work at "The One."

18 15. Attached hereto and incorporated herein as **Exhibit "D"** is a true and correct copy
19 of a letter sent on March 7, 2022 by J&E's counsel to counsel for the Debtor.

20 16. Attached hereto and incorporated herein as **Exhibit "E"** is a true and correct copy
21 of a letter sent on March 8, 2022 by J&E's counsel to counsel for the Debtor.

22 I declare under penalty of perjury that the foregoing is true and correct to the best of my
23 knowledge.

24 Dated: March 14, 2022

ARTICLE 2, THE WORK:

Contractor shall perform the Work as generally described in Exhibit "A" hereto in a
good and workmanlike manner and furnish all labor, materials and equipment as required
to complete its portion of the work indicated in the Contract Documents. The Work may

be changed at any time only by written order of the Owner and Contractor shall comply with all such changes without delay. Any change which results in an adjustment to the Contract Sum shall be accompanied by a detailed itemization of the actual material costs, actual labor costs, reasonable labor benefits, reasonable overhead and reasonable profit. Deviations from the requirements of the Contract Documents indicated on shop drawings, product data, samples or other submittals shall not be valid, even if approved, unless such deviations are clearly highlighted as such therein.

Contractor shall comply in every respect with all laws, codes, ordinances and regulations of any organization having legal jurisdiction over the Work.

If the quality of any existing work will not allow Contractor to complete its Work in a manner that will result in a finished product that complies in all respects with the Contract Documents, Contractor must notify Owner in writing before commencing its Work. By commencing Work, Contractor accepts the condition of the existing work as being a fully satisfactory component to be integrated with Contractor's Work.

Project meetings will be held on a scheduled basis for the purpose of reviewing Project issues and coordinating work schedules.

Contractor shall be responsible for a daily clean-up of all debris created by its Work. If Contractor fails to do so, Owner may perform such clean-up, withholding the cost of same from any money payable to the Contractor.

ARTICLE 3, THE CONTRACT TIME:

The Work to be performed under this Agreement shall be executed in accordance with Owner's project schedule and in cooperation with other subcontractor's work to achieve Substantial Completion of the Project by the Project Substantial Completion Date. Upon request, Contractor will supply Owner with an accurate and complete critical path schedule indicating Contractor's Work schedule. Should such schedule indicate Contractor's inability to complete the Work within the required schedule, Contractor shall undertake all necessary steps to meet the schedule, including over-time hours of operation if required. Should Contractor fail to properly staff and execute the Work, Owner, upon written notice and at Contractor's expense, may: (i) terminate this Agreement without penalty; or (ii) supply additional labor to perform Contractor's Work and Contractor shall pay the cost thereof.

Contractor shall be liable to Owner in an amount equal to the Pre-Agreed Schedule Failure Damages for each day the Work is not completed after the Substantial Completion Date, or in the absence of Pre-Agreed Schedule Failure Damages, for the Owner's actual damages suffered as a result of Contractor's failure. Any items of Contractor's Work appearing on what is commonly known as a *Punch List* shall be completed within 48 hours of notice thereof unless the nature of the Work requires additional time in which case Contractor shall diligently commence and pursue the Work to completion.

In the event the Contractor's performance of this Contract is delayed for any reason including acts of the Owner or other contractors, Contractor may request an extension of

time for the performance of the Work in writing within 5 days of the event causing such delay, but shall not be entitled to any increase in the Contract Sum or to damages or to additional compensation as a consequence of such delays or interference. Contractor warrants that it has an effective Hazardous Communications Program and that its employees have received training in that program. Contractor warrants that, before commencement of the Work, it will make available at the job site copies of all Material Safety Data Sheets relative to materials to be used at the Project and all required insurance certificates ("Safety and Insurance Submittals").

ARTICLE 4, CONTRACTOR'S RESPONSIBILITIES:

Contractor acknowledges that it is performing the Work as an independent contractor, is responsible for including any required sales taxes in the Contract Sum and remitting same to the collecting authority, and is solely responsible for the acts and omissions of its employees, for directing their work and for the payment of all their wages and taxes.

Contractor shall take all safety precautions necessary with respect to the performance of this Agreement, shall administer an effective, written safety program for the protection of its employees, shall comply with all safety measures and substance abuse programs initiated by the Owner and with all applicable laws, ordinances, rules, regulations and orders of public authorities for the safety of persons and property. Contractor shall not initiate or proceed with any portion of the Work that a prudent commercial contractor would or should have recognized as unsafe. Contractor shall immediately report any such condition or any injury to an employee or agent of the Contractor that occurred at the site.

ARTICLE 5, REQUIRED INSURANCE COVERAGE:

Contractor shall maintain in full force and effect, at its own expense, the following minimum insurance coverage.

(a) Statutory Worker's Compensation and Employer's Liability Insurance, but in no event limits of less than \$500,000. Contractor shall require its subcontractors to provide Worker's Compensation and Employer's Liability Insurance with the same minimum limits.

(b) Commercial General Liability Insurance including Broad Form Property Damage Liability Coverage with minimum limits as follows: \$1,000,000 Each Occurrence, \$1,000,000 Products and Completed Operations Aggregate, \$2,000,000 General Aggregate. The Commercial General Liability Policy will include Bodily Injury and Property Damage on an "Occurrence" basis.

(c) Commercial Automobile Insurance \$1,000,000 Combined single limit for all owned, non-owned, and hired vehicles.

(d) Commercial Umbrella Liability Insurance including bodily injury and property damage coverage with minimum limits as follows: \$1,000,000 Each Occurrence and \$1,000,000 General Aggregate.

(e) Contractor's Worker's Compensation policy shall contain a Waiver of Subrogation endorsement in favor of the Owner.

(f) Contractor's General Liability coverage shall be endorsed as follows:

(1) Contractor shall name Owner as additional insured, both for ongoing work and completed operations.

(2) Contractor shall provide a Waiver of Subrogation in favor of Owner.

(3) Contractor's General Liability policy shall be Primary and Non-Contributory.

(g) Contractor's Umbrella and Auto policies shall also name Owner as additional insured.

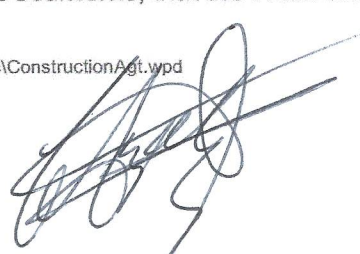

Contractor shall furnish to the Owner certificates of insurance, non-cancelable except in thirty (30) days written notice to the Owner of default providing an opportunity to cure the default to Owner within ten (10) days of receipt of the written notice of election by the Owner.

Contractor shall not commence work at the site under this Agreement until he has obtained all required insurance. Certificates of Insurance shall be filed with Owner prior to commencing work but such action shall not relieve or decrease the liability of Contractor hereunder nor be considered approval of any lesser limits of coverage except by specific written agreement of the Owner. Failure to furnish either satisfactory insurance or required certificates within 10 days of notice to proceed shall not be considered cause for modification of any contractual time limits. The required insurance must be written by a company licensed to do business in California at the time the policy is issued, and with a company acceptable to the Owner. Contractor shall not cause any insurance to be canceled nor permit any insurance to lapse. All insurance policies shall include a clause to the effect that the policy shall not be canceled or reduced, restricted or limited until 30 days after Owner has received written notice as evidence by return receipt of registered letter.

If Contractor fails or neglects to obtain or renew the insurance required by this Agreement and furnish Owner an executed Certificate of Insurance form as evidence thereof, Owner may, in its sole discretion, deem such failure or neglect on the part of Contractor as a material breach of this Agreement. Contractor must incorporate all provisions of this Article into its subcontracts so all sub-subcontractors have the same coverage and provisions as required above.

ARTICLE 6, WARRANTY:

Contractor warrants to the Owner that materials and equipment furnished under this Agreement will be of good quality and new unless otherwise required or permitted by the Contract Documents, that the Work of this Agreement will be free from defects not inherent

in the quality required or permitted, and that the Work will conform to the requirements of the Contract Documents. Work not conforming to these requirements, including substitutions not properly authorized, will be considered defective. Defective Work will be replaced by and at the expense of the Contractor during hours convenient to the Owner. Any damage caused by the defective Work will be restored at the sole expense of Contractor. This warranty shall be in addition to and not in limitation of any other warranty or remedy required by law or by the Contract Documents.

If within the applicable period of the statute of limitations set forth in California Senate Bill 800 for the type of Work performed by Contractor under this Agreement, a defect appears in the Work, Contractor shall be required to, and shall commence to, correct such Work promptly after receipt of written notice from Owner and shall thereafter diligently proceed to correct the defect. Contractor shall be liable to Owner for all liabilities, costs and expenses incurred by Owner due to said defects and/or for failure of Contractor to correct the defects.

ARTICLE 7, INDEMNITY:

Article 7.1: TO THE FULLEST EXTENT PERMITTED BY LAW AND SUBJECT TO Article 7.2 BELOW, CONTRACTOR SHALL INDEMNIFY THE OWNER, ARCHITECT, AND ANY THIRD PARTY UNDER THE CONTROL OR SUPERVISION OF ANY OF THEM, AND ANY OF THEIR OFFICERS, MEMBERS, DIRECTORS, EMPLOYEES, AGENTS, AFFILIATES, SUBSIDIARIES, AND PARTNERS (INDIVIDUALLY, AN "INDEMNITEE" AND, COLLECTIVELY, "INDEMNITEES"), FROM AND AGAINST ALL CLAIMS ARISING FROM OR ALLEGED TO ARISE FROM ANY LOSS OF ANY KIND OR NATURE, INCLUDING, BUT NOT LIMITED TO, DAMAGE TO THE PROJECT, BODILY INJURY OR DEATH, RELATING DIRECTLY OR INDIRECTLY TO THE (1) PERFORMANCE OF THE WORK PURSUANT TO THIS AGREEMENT, (2) NEGLIGENCE, (3) FAULT, (4) INTENTIONAL ACTS, (5) BREACH OF THIS AGREEMENT, OR (6) BREACH OR VIOLATION OF A STATUTE, ORDINANCE, GOVERNMENTAL REGULATION, STANDARD, OR RULE, BY CONTRACTOR OR ITS AGENT, EMPLOYEE, OR SUBCONTRACTOR OF ANY TIER, OR ANYONE FOR WHOSE ACTS OR OMISSIONS THEY MAY BE LIABLE (INDIVIDUALLY, AN "INDEMNITOR" AND, COLLECTIVELY, "INDEMNITORS"), BUT ONLY FOR THE PERCENTAGE OF RESPONSIBILITY AN INDEMNITOR CAUSED OR CONTRIBUTED TO CAUSE IN ANY WAY.

Article 7.2: SUBJECT TO THE TERMS OF THIS ARTICLE 7, CONTRACTOR IS OBLIGATED TO PROVIDE A DEFENSE FOR ANY INDEMNITEE, WITH AN ATTORNEY OF INDEMNITEE'S CHOICE, FOR ALL CLAIMS ARISING FROM OR ALLEGED TO ARISE FROM THE (1) PERFORMANCE OF THE WORK PURSUANT TO THIS AGREEMENT, (2) NEGLIGENCE, (3) FAULT, (4) INTENTIONAL ACT, (5) BREACH OF THIS AGREEMENT, OR (6) BREACH OR VIOLATION OF A STATUTE, ORDINANCE, GOVERNMENTAL REGULATION, STANDARD, OR RULE, BY ANY INDEMNITOR.

Article 7.3: CONTRACTOR'S OBLIGATIONS SET OUT IN THIS ARTICLE 7 SURVIVE THE PERFORMANCE OF THE PARTIES UNDER THIS AGREEMENT FOR

THAT PERIOD OF TIME NECESSARY FOR THE INDEMNITEES TO RECEIVE THE BENEFITS OF THIS ARTICLE 7.

ARTICLE 8, THE CONTRACT SUM & PROGRESS PAYMENTS:

For the performance of the Work, Owner shall pay Contractor, subject to additions and deductions by Change Order the Contract Sum. Contractor shall invoice Owner by the 25th day of the month for all material and labor incorporated in the Work, providing written, substantiating backup. If Contractor has failed to correct defective Work, or to satisfy any claims or liens (existing or, on the basis of reasonable evidence, expected to exist in the next 45 days) relative to the Work, Owner may withhold an amount equal to 150% of: the cost to repair the defective work or 150% of the amount of the lien. Owner shall have no obligation whatsoever to pay for any Work not invoiced within 60 days following the month of its installation. Owner shall pay Contractor 90% of all material and labor incorporated in the Work. The remaining 10% shall be withheld by Owner and will be payable to Contractor within _____ () days after Contractor's Work has been completed and Contractor has provided Owner with its Unconditional Waiver and Release of Lien and those of its materialmen, and subcontractors. Terms and time of payment to Contractor shall be subject to the requirements of Owner's construction lender.

ARTICLE 9, LIENS:

Except for Owner's failure to pay Contractor in accordance with the terms of this Agreement, Contractor will save and keep the Project free from all liens by reason of its Work or of any materials or other things used by it in the Work, and shall indemnify and hold the Owner harmless against any loss, damage, expense or claim arising out of Contractor's failure to do so. If Contractor fails to remove any lien by bonding it or otherwise, the Owner may retain from funds out of any money due or thereafter to become due to Contractor in an amount equal to 150% of the amount of the lien. In addition, the Owner may remove the lien by bonding it, the cost of which shall be paid by the Contractor.

ARTICLE 10, DEFAULT:

Should Contractor at any time within forty-eight (48) hours after written notice from Owner (i) fail to supply adequate and complete supervision or a sufficient number of properly skilled workmen or materials of the proper quality, or fail in any respect to perform the Work with promptness and diligence; or (ii) fail in the performance of any agreement for the benefit of its creditors; or (iii) fail to pay promptly its obligations; or (iv) if a receiver be appointed for Contractor or its assets; or (v) if Contractor be adjudged a bankrupt; or (vi) should any workmen performing work covered by this Agreement engage in a strike or other work stoppage, or cease to work due to picketing or other activity, the Owner may, in any such events at its option after twenty-four (24) hours written notice to Contractor, provide any such labor and materials required to maintain necessary job progress, and charge the cost thereof to the Contractor and/or may terminate this Agreement.

ARTICLE 11, CHANGE ORDERS:

Owner may make changes in the Work in which event Owner and Contractor shall execute a written Change Order setting forth the change and the price to be paid by Owner for the change. Under no circumstances will Contractor be entitled to receive any compensation for changes in the Work or extra work unless the same is subject to a Change Order, executed by both Contractor and Owner prior to performance of the additional work, and the amount to be paid by Owner is specified therein. Contractor is deemed to have waived its claim for additional compensation, overhead or profit where it has performed additional work for which a written change order was not obtained. If Owner unreasonably delays in executing a Change Order, the time of the delay will extend the Delivery Date for a period of time equal to the delay.

ARTICLE 12, ATTORNEY'S FEES:

In the event litigation or arbitration should arise out of the Contract, the Court or the arbitrator in such litigation or arbitration shall award reasonable attorney's fees, all costs (including, but not limited to, travel costs, deposition costs and photocopying), and expert witness fees to the prevailing party. The attorney's fees award shall not be computed in accordance with any Court schedule, but shall be such as to fully reimburse all reasonable attorney's fees, actually incurred in good faith, regardless of the size of the judgment or award, it being the intention of the parties to fully compensate the prevailing party for all reasonable attorney's fees paid or incurred including those paid or incurred on appeal.

ARTICLE 13, BINDING ARBITRATION.

IN ORDER TO EXPEDITE THE RESOLUTION OF ANY DISPUTE BETWEEN THE PARTIES, AND TO REDUCE THE COSTS TO THE PARTIES OF ADJUDICATING ANY CLAIM OR DISPUTE CONCERNING THE INTERPRETATION, ENFORCEMENT OR BREACH OF THIS CONTRACT OR ANY PROVISION(S) OF THIS CONTRACT AS IT NOW EXISTS OR MAY BE MODIFIED, OR ANY CLAIM RELATING IN ANY WAY TO THIS CONTRACT OR THE PROJECT, OR ANY WORK ON THE PROJECT, WHETHER SOUNDING IN CONTRACT, TORT OR EQUITY, ANY SUCH CLAIM OR DISPUTE SHALL BE SUBJECT TO BINDING ARBITRATION TO THE FULLEST EXTENT ALLOWED BY LAW BEFORE THE AMERICAN ARBITRATION ASSOCIATION PURSUANT TO ITS CONSTRUCTION RULES IN THE COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, RATHER THAN ADJUDICATION BEFORE A JUDGE OR JURY IN ANY COURT OF ANY STATE OR THE UNITED STATES. THE FINAL AWARD OR DETERMINATION OF ANY ARBITRATOR(S) SHALL BE FINAL AND BINDING AND CONCLUSIVE UPON THE PARTIES, AND SHALL BE MADE IN SUCH FORM THAT IT SHALL BE CONFIRMED AND JUDGMENT THEREON MAY BE ENTERED IN ANY COURT HAVING JURISDICTION. THE PARTIES UNDERSTAND AND AGREE THAT BY AGREEING TO BINDING ARBITRATION THEY ARE GIVING UP ANY RIGHT THEY MIGHT OTHERWISE HAVE TO TRIAL BY JURY. THIS PROVISION SHALL BE CONSTRUED SO AS NOT TO PREVENT OR IMPEDE CONTRACTOR FROM PURSUING MECHANIC'S LIEN RIGHTS AND OTHER PRE-JUDGMENT REMEDIES UNDER CALIFORNIA LAW, INCLUDING, BUT NOT LIMITED TO, RECORDING MECHANIC'S LIENS AND FILING AN ACTION(S) TO FORECLOSE THE MECHANIC'S

LIEN(S), PROVIDED CONTRACTOR TIMELY MOVES THE COURT TO COMPEL ARBITRATION AND STAY THE ACTION PENDING THE OUTCOME OF THE ARBITRATION.

Re: In re Crestlloyd, LLC (Bankr. C.D.Cal. 21-18205) – Outcome of the Auction of 944 Airole Way, Los Angeles, California 90077 aka “The One” (the “Property”)

Dear David and Todd:

As you know, I represent J & E Texture, Inc. (“J&E”) in the above-referenced chapter 11 bankruptcy case filed by Crestlloyd, LLC (the “Debtor”). J&E holds a priority, pre-petition mechanic’s lien against the Property ahead of all other pre-petition secured lenders.¹ I am writing regarding the outcome of the March 3, 2022 auction (the “Auction”) of the Property.

It is my understanding that the Auction concluded and derived a price that is significantly less than the total secured debt against the Property. This price shortfall appears to present an obstacle under section 363(f)(3) of the Bankruptcy Code for the Debtor, as it must now obtain consent from the creditors secured by the Property in order to sell it free and clear of all liens. *See* 11 U.S.C. § 363(f)(3); *see also In re PW, LLC*, 391 B.R. 25 (9th Cir. 2008).

As such, I ask that you confirm that J&E’s mechanic’s lien will be treated as having priority ahead all pre-petition secured creditors, subordinate only to the interests of the post-petition DIP-financing lender. Also, please let me know if the Debtor intends to go forward with the sale process via confirmation of the Auction, or if the Debtor will attempt to close the sale under other possibilities provided for under the Bankruptcy Code.

Very truly yours,

Watt, Tieder, Hoffar & Fitzgerald, L.L.P.

**Re: *In re Crestlloyd, LLC* (Bankr. C.D.Cal. 21-18205) – Response to March 7, 2022
Email from Todd Arnold Re: Outcome of the Auction of 944 Airole Way, Los
Angeles, California 90077 aka “The One” (the “Property”)**

Dear Todd:

I am in receipt of your March 7, 2022 email sent in response to my March 7, 2022 letter regarding the outcome of the March 3, 2022 auction (the “Auction”) of the Property. In your email, you inquired as to the basis of J & E Texture, Inc.’s (“J&E”) position that it is a priority pre-petition secured lien creditor by virtue of its mechanic’s lien that only sits below the post-petition DIP financing lender.

First, every mechanic lien filed against the Property primes the pre-petition lender, Hankey Capital, LLC’s (“Hankey”) security interest against the Property. As you know, California Civil Code § 8450(a) provides that a mechanic’s lien –

... has priority over a lien, mortgage, deed of trust, or other encumbrance on the work of improvement or the real property on which the work of improvement is situated, that (1) attaches *after* commencement of the work of improvement or (2) was unrecorded at the commencement of the work of improvement and of which the claimant had no notice.

Consequently, *all* mechanic’s liens relate back to the date of commencement of work at a project, regardless of when any individual claimant may have commenced work at the project. *See* Cal. Civ. Code § 8450(a); *see also* *Simons Brick Co. v. Hetzel*, 72 Cal. App. 1, 9, 236 P. 357, 360 (2nd Dist. 1925); *Schrader Iron Works, Inc. v. Lee*, 26 Cal.App.3d 621, 631-32, 103 Cal. Rptr. 106, 112-13 (3rd Dist. 1972); *In re KDR Bldg. Specialties, Inc.*, 76 B.R. 778, (Bankr. S.D. Cal. 1987).

Further, regardless of when any other party first commenced work at the Property, as evidenced by its Proof of Claim No. 13, J&E entered into its contract with the Debtor on July 1, 2016. (*See* POC No. 13). J&E promptly commenced work on the Property four days later on July 5, 2016. Thus, J&E commenced work on the Property approximately 2 ½ years *before* Hankey obtained its security interest in the Property.

March 8, 2022

Page 2

As such, I renew my request that you: (1) confirm that J&E's mechanic's lien will be treated as having priority ahead of all pre-petition secured lenders, subordinate only to the interests of the post-petition DIP-financing lender; and (2) let me know if the Debtor intends to go forward with attempting to approve the sale via section 363 of the Bankruptcy Code, and if so, please explain how the Debtor will overcome its apparent inability to meet the requirements of section 363(f) of the Bankruptcy Code to have the sale approved, or if the Debtor will attempt to close the sale under other possibilities provided for under the Bankruptcy Code.

Very truly yours,

Watt, Tieder, Hoffar & Fitzgerald, L.L.P.
